"Well, I'll Be Switched"—

exclaimed the chap who had just heard the why and wherefore of Spur Cigarettes. It didn't take him long to say, "Switch me to Spurs."

Notice that good old-time tobacco taste in Spurs. Trace it down and you will find it comes from the blend of choice Turkish, fine Burley, and other home-grown tobaccos. Rich—refreshing—right.

Finger Spur. It's fat and full-rolled. Note the crimped seam—

no paste there, it's a new wrinkle in cigarette making—and Spur owns it all. You'll discover that crimping means easier drawing, slower burning, better taste.

Spur is a well-dressed cigarette—the rich-looking, brown and silver package of twenty, with its threefold wrapping, suggests good taste as plain as day.

Ring out the old, ring in the new. Start fresh with Spur.

They Come for Miles to See Him

Dr. Doran is a regular graduate in medicine and surgery and is licensed by the state of Kansas. He visits professionally the more important towns and cities, and offers to all who call on this trip, consultation and examination free, except the expense of treatment when desired.

According to his method of coming to your nearest city to see patients he gives all the sick people an opportunity to obtain the best that medical science can offer right at home. He does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit many wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get any better, do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember above date, that examination on this trip will be free and that his treatment is different.

Married ladies must come with their husbands, and children with their parents.

Address: Medical Laboratory of Dr. Doran, 335-336 Bost Block, Minneapolis, Minn.

"Bride 13"

America is horrified by the mysterious disappearance of 12 wealthy and beautiful brides from the very altar. All of the forces of the United States Government are at work to ferret out the criminals who menace the womanhood of the country.

Ruth Storrow, daughter of Edmund Storrow, a millionaire, came minus to proceed with her wedding to Bob Norton despite the fact that her sister Eleanor has been seized by the abduction on her way to her own marriage and plunged into the bay in her imprisonment. When the car is raised all that is found therein is a more demanding ransom.

Bob refuses to let such risk befall at the altar until the danger is past and Ruth, vexed, accepts the offer of Stephen Winthrop, a society flier, to be married to him immediately.

As Ruth prepares for her wedding the 12 brides are languishing in a submarine manned by the pirate band. On the day of Ruth's nuptials Ruth is locked in her room while a female detective takes her place to foil the villains.

The ruse displeases Ruth, who leaps from the window of the room to race to the church across the bay. Alone in a motor boat, she is seen by the pirates, who seize her and take her aboard the submarine.

Bob and his friend, Lieut. Morgan, a U. S. Navy aviator, take up the pursuit. The Navy lends them aid, and battleships, cruisers, destroyers, subchasers, seaplanes and dirigibles set out.

The Navy participates in fierce struggles with the sinister band, officers and men by the thousands joining the fray. Each of the 15 episodes is crowded with daring adventures and breath-taking stunts.—At Besse Auditorium Monday, Nov. 22.
