Red Cloud Scalped Superior

Last Friday afternoon, at the Lincoln Park, at Superior, occurred the Red Cloud vs Superior foot ball game and after the smoke of the battle cleared away it was found that the Superior High School foot ball team had been defeated by a score of 26 to 13.

There was a large crowd from the two towns in attendance.

In the first quarter Superior made a touch down but failed to kick goal. Red Cloud made a touch down and kicked goal, score 6 and 7.

In the second quarter Superior made another touch down but failed to kick goal. In the last part of the second quarter Capt. Wier of the Superior team had the misfortune to have two ribs broken and was taken out of the game.

In the last half of the game the Red Cloud team came back stronger than ever, as in the third quarter Gene Bush intercepted Superior's forward pass and run for 45 yards and made a touch down. Red Cloud also made another touch down in this quarter and in the fourth quarter.

When the second half of the game started the Superior fans, who were standing on the side lines, looked sad and before the game had finished they were howling that the Red Cloud team was playing dirty ball but our boys all played a good clean game. The Superior people took their defeat hard and it was a great pleasure for our boys to defeat them on their own field.

Three Musicals Booked for the Besse Auditorium

Red Cloud is to have three musical treats this winter. The Auditorium Board has signed a contract for these entertainers who have international reputation.

Red Cloud is indeed fortunate in securing these musicians and only because of the fine Auditorium is the Board able to secure them, as they are only making three stops in Nebraska and in no other town of this size.

Many people have been anxious to have a good tenor come to Red Cloud and in Theo Karie, America's great tenor, who is to appear December 16, a rare treat is promised. Theo Karie is a natural favorite of the concert stage.

On January 10 Isadore Berger, a violinist of unusual ability will appear. March 2 a concert will be given by Miss Myrna Sharlow, prima donna soprano of Chicago Opera Association. Miss Sharlow sang at the Assembly in Lincoln this summer and wonderfully pleased her audience. Her pleasing personality and beautiful voice have brought her success in her concert work.

The last number alone is worth the price of the season ticket which will be \$5.00.

FARM BUREAU ANNUAL MEETING

Saturday, December 4, 1920, at 1:30 P. M. Court Room—Court House.

President's Remark—John M. Ryan.

Secretary's Report—Fred Householder.

County Agent's Report—Henry R. Fausch.

Address by County Agent Leader, R. E. Holland, Lincoln, Nebraska.

Address by Secretary Nebraska Farm Bureau, H. D. Lute, Lincoln.

Mr. Holland will talk on the accomplishments of the Farm Bureau in Nebraska.

Mr. Lute will explain the membership campaign, which is being started in Nebraska to enroll the farmers in the County, State, and National Farm Bureau Federation.

Every farmer is invited and urged to attend this meeting. Remember the date—Saturday, December 4th, at 1:30 P. M.

THE FARM BUREAU

The Farm Bureau is an organization of and for the farmers. Heretofore, there has been numerous local bureaus throughout the country. Today when a farmer joins the County Farm Bureau, he at once affiliates himself with the State and National Federations.

In unity there is strength. This probably accounts for the remarkable growth of the State and National organization in the past few months.

The State and National Farm Bureaus aim to replace no existing organization. Their plan is rather to weave together, the interests of farmers' organizations. Thus local farmers' organizations ally themselves with the national movement, while in no way losing their local "say so" nor identity.

Farm Bureau work promotes the business side of farming. It is not a trust. It is an association for mutual helpfulness in the conduct of business.

HENRY R. FAUSCH, County Agricultural Agent.

Rev. J. M. Bates recently underwent an operation at the Clarkson hospital in Omaha and his many friends are pleased to learn that he is doing nicely.

Services at the Congregational church every Sabbath morning at 11 o'clock. Preaching by Rev. Mary H. Mitchell. Sunday school at 10 o'clock. You are invited.

Curtis Friday and Mr. Swanson of Holdrege flew to this city Monday and took dinner with Mr. and Mrs. N. B. Bush. They left in the afternoon for Oklahoma.

Scout Organization Meets

Several of the men of the city who take an interest in the Boy Scouts held a meeting Monday evening to work out definite plans for the advancement of this organization in the city, and after discussing matters brought up before the meeting they elected the following officers and committees:

F. J. Munday, Scout Commissioner; F. W. Cowden, President; W. G. Hamilton, Vice President; G. W. Hutchison, Secretary; W. S. Beezley, Treasurer.

Scout Masters, E. M. Ege, Marion Bloom, C. M. Sherwood.

Committee on Quarters, Ed Amack, W. G. Hamilton, R. P. Weesner.

Committee on By Laws, Prof. Holtzen, N. B. Bush, G. W. Hutchison.

Those present were also informed that National Scout Master Piper could also be scheduled for a visit here in the near future and this matter with others of importance will be discussed at a meeting which will be held in the Commercial Club rooms on next Tuesday evening. An invitation is extended to all who are interested in the Boy Scouts to attend this meeting and become better acquainted with the plans and intentions of the local unit of the largest junior organization in the country. Don't forget the day—but come.

W. B. Campbell Laid to Rest

Wiley Brooks Campbell was born October 21, 1858 in Green County, Tennessee, and died at Red Cloud, Nebraska, November 21, 1920, aged 62 years, 30 days.

He was married September 19, 1880 to Ella Catherine Tedlock, who preceded him sixteen years ago.

Death was caused by dropsy of the kidneys from which he suffered almost two years.

He was a kind and loving father and fought the battles of life faithfully.

He leaves to mourn his departure six daughters, one son, six sisters, Mrs. White of Tennessee, Mrs. Dodd and Mrs. Justice of Esbon, Kansas, Mrs. Tucker of Oarsville, California, Mrs. Crawford of Manard, Texas and Mrs. Weems of Salem, Kansas; three brothers—William of Esbon and Jim of Lincoln, Kansas, Tilman of Idaho, and one stepbrother W. L. Weesner of this city.

The funeral services were held Tuesday at the home of Mrs. Weems at Salem, Kansas after which interment was made in the Salem cemetery.

G. R. McCrary was down from Inavale Tuesday afternoon.

The Actuelle

Greater than the Phonograph
Different in construction
Superior in tone
Actual in reproduction

THE ACTUELLE—a Pathe Freres invention—marks the first really radical advance in the science of sound reproduction since sound recording was invented.

The result achieved is a natural purity of tone which would have been beyond belief less than twelve months ago.

Now comes the real revolutionary advance—and again it is the Pathe organization that has won out—with the Actuelle.

Exit Sound Box, Tone Arm, Horn

The problem of the phonograph maker is to take out of the way of the tone obiticals which affect the reproduction in a lesser way. The tone box, the tone arm, the tone chamber and horn are in the way. The ACTUELLE discards all the obstacles. A taunt wire carries the tone direct from the record to a parchment cone which amplifies and reproduces the tone in its natural, vivid vigor, with a full fidelity that no phonograph could ever equal.

Come in and hear this wonderful instrument play your favorite records. We will be pleased to have you call.
