

### Just For Comparison

1913 1920 1921

It has been figured out, that in building a certain house, the LUMBER cost

\$1,600.00 in 1913  
\$3,300.00 in 1920  
\$2,000.00 in 1921

Freight has advanced \$280.00 on this material, since 1913, which makes the lumber cost at the present time a trifle over \$100.00 more than it did in 1913, exclusive of the freight raise.

### LAST RITES TENDERED

#### A WELL KNOWN HERO

Tuesday afternoon, May 3rd, witnessed the last chapter in the colorful career of Lieut. G. P. Cather, first Nebraska officer killed upon the battlefields of France. An elaborate military funeral service was conducted at the opera house in Bladen at 2.00 o'clock, the crowd being such in proportions that the seating capacity was sufficient for only about a third of the throng. The middle section was reserved principally for the relatives of the deceased and the soldiers and sailors having part in the services. The Holdredge Legion band, together with Capt. Fred O. Kelly, singers and others, occupied the stage, which was a mass of flowers and floral tributes. The American flag was draped from the ceiling. The flag draped casket of the hero occupied the place just in front of the stage. A portrait of the deceased stood at each end of the stage. An easel upon which were pinned his many medals stood at the left of the stage. As the band played the relatives marched in and took their seats followed by the uniformed soldiers and sailors, a few Civil War veterans and Spanish American soldiers. The program opened with a male quartette singing a selection. Following this Capt. Kelly offered up a prayer. Emil Swanberg, formerly of Holdredge, now of Grand Island, gave a solo, "Face To Face." The obituary of the dead officer was read by Capt. Kelly, also numerous letters from his commanding officers, all of which commended him for his unflinching bravery and his consideration for his men. After another song by the quartette, Capt. Kelly delivered an impressive sermon which dealt principally with the honor accorded a man who lays down his life for his

## We got you, Steve!!

WE have always yearned to run a newspaper "column"—just sit back and publish other people's contributions. And here "Steve" comes across with a contributed advertisement, and saves us some work. He keeps his name and address a secret—but good work, Steve, say we. "You satisfy."

THREE YEARS ago,  
I TRIED a cigarette.  
THAT I'D seen advertised,  
AND I didn't like it.  
NOT A tall, not a tall.  
YESTERDAY I ran short,  
AND HAD to sponge.  
AND ALL I could get,  
WAS A Chesterfield.  
NOW I didn't fancy,  
A CHESTERFIELD.  
FOR, SAYS I,  
WASN'T THAT the kind.  
I TRIED and passed up.  
THREE YEARS ago?

BUT ANYHOW I took one,  
AND NOW I know,  
MY BIG mistake,  
FOR ALL the while,  
I SMOKED it.  
I FOUND myself,  
SAYING, "BY golly,  
THEY DO satisfy."  
"STEVE."

STEVE took no chance at all. "Satisfy" is in the Chesterfield blend—sure thing. No use looking anywhere else for "satisfy" either, because the satisfy-blend is a secret—it can't be copied.

### CHEAP ADVICE!

Advice is one of the cheapest things in the world. It's as free as the air. No matter what your troubles may be, just let it be known and advice will come piping in.

The old maid knows how to rear children, the bachelor knows just how a wife should be handled, and even a bald-headed druggist can sell hair tonic and get away with it—but the advice you seek, not the kind that is volunteered, is the kind you want. We are not a volunteer in the advice business, but if you are a patron of our bank and ask advice on financial matters we will be glad to help you in any way we can.
