Red Cloud Chautauqua Dates

The Midland Chautauqua Circuit through their local manager Mr. S. Hardman announce that the dates for the coming Chautauqua in Red Cloud will be July 25th to 31st inclusive. Keep the dates in mind and prepare to enjoy the whole week.

P. E. O. Entertains

Tuesday evening the members of the P. E. O. were entertained at the home of Mrs. J. C. Mitchell in honor of Mrs. Robt. S. Mitchell, who leaves the latter part of the week for the new home of Dr. and Mrs. Mitchell at Appleton, Wisconsin.

The Chapter has just finished a series of lessons on bird study and a forty five minute talk on the subject by Rev. J. M. Bates was enjoyed very much. Mr. Bates explained the different classes of birds, and how the U. S. Agricultural Department determines the useful class, touched on the subjects of beauty, migration, long flights and other interesting points.

Later in the evening Mrs. Anne Letson gave a reading in her very clever and realistic style, describing the experience of a tenderfoot on a trip to the klondyke. This treat was not on the program.

Dainty refreshments were served by the social committee and ended a delightful evening

Red Cloud Boy on Lost Naval Tug Conestoga

Washington, May 28.—A search that swept more than 300,000 square miles of the Pacific by sea and air has ended without a trace of the missing naval tug Conestoga being found. Several cruisers, thirty-six destroyers and several squadrons of air craft and auxiliary vessels were used and all the islands where it was possible the crew of the tug might be, were examined the navy department's message Saturday declared. The department still hopes that the crew will be found alive and search will be continued. —The Denver Post.

Hans, the son of Mr. and Mrs. Chris Jensen, who enlisted in the navy last fall, was a member of the crew on the missing tug which sailed from San Francisco March 25 bound for Samoa. The last word his parents received from him was a letter written a few days before the Conestoga left port in which he told them that he would give them his address on reaching Pearl Harbor. It is sincerely hoped that favorable information may yet be received, but the government has officially notified the Jensen family that all efforts to locate the tug have thus far proved futile.

Hans is nearly twenty-two years of age and the youngest of the three boys.

Burke-Egan

A very pretty wedding occurred last Saturday morning at 7:30 o'clock when Miss Katherine Burke and John Egan were united in marriage at the Catholic church by Father Fitzgerald. The ceremony was very impressive and witnessed by a great number of friends and acquaintances. Mrs. Harvey Rickerson as matron of honor and Francis Burke, the bride's brother, accompanied the couple. The wedding party was led by twelve little flower girls, while Mr. Windolph furnished appropriate music. During the services Miss Helen McNany sang "In The Golden Evening," a beautiful selection well rendered.

After the services the couple took an auto to Hastings to catch the Omaha train. The machine had previously been tagged with placards bearing some very amusing inscriptions. As the newlyweds departed rice was thrown promiscuously.

The bride has been identified with educational work here for several years and has been principal of the Lincoln school here the past term. The groom is a passenger fireman in the employ of the C. B. & Q. Railway Co. They will reside in St. Joe where Mr. Egan has prepared a home ready for occupancy.

Memorial Sunday And Decoration Day Observed

Memorial day services were held at the M. E. Church Sunday morning. The members of the G. A. R., W. R. C. and American Legion occupied seats in the middle section. The M. E. church choir, led by N. B. Bush, rendered several selections that were appropriate for the occasion. Invocation was offered by Rev. Cope after which Rev. Mary Mitchell read the scripture lesson and had the audience repeat the 23rd Psalm. Rev. E. T. Haddock preached the sermon, and although he spoke in a forceful manner, and the discourse would meet the requirements of certain conditions, parts of the sermon were hardly appropriate for the occasion. The audience then sang America and Rev. Eshelman pronounced the benediction.

Decoration day was very appropriately observed by the community and under the direction of the G. A. R. and American Legion the day's program was splendidly carried out.

At 2 p. m. the Legion members neatly clad in their uniforms formed in regular order, behind two autos in which members of the G. A. R. rode, and marched to the cemetery. The Boy Scouts under the leadership of E. M. Kge joined in the parade after which a great number of the citizens followed. The Legion members marched thru both cemeteries and decorated the graves of all deceased soldiers of past wars, after which all formed in line. Kiton Pope sounded taps and the firing squad fired three volleys in memory of those who had offered their lives in their country's cause.

At 3 o'clock all gathered at the Auditorium where a splendid program was rendered. The Legion boys marched in to the strains of a national march and took their places at the front. Mr. Winthrop also played a medley of patriotic numbers to the great delight of those present, after which the Community Chorus under the direction of Mrs. F. R. Hughes sang. Invocation was offered by Rev. Eshelman and a quintette from the chorus entertained with a song. A list of the names of all the deceased soldiers was read by S. B. Kizer and Lincoln's Gettysburg speech was given by Rev. Cope.

The Chorus sang a selection after which Rev. Hardman delivered a splendid address. He called attention to the fact that many of the returned soldiers are not receiving the consideration that should be given, calling to mind the many who have suffered injuries which will incapacitate them for the remainder of their lives. His remarks were brief, but to the point and very entertaining. The entire congregation then stood and sang the Star Spangled Banner which closed the day's program.

Fined For Having Still

The overhead expense of making moonshine whiskey is rather heavy, at least it proved so in the case of A. D. Lampe, of Campbell, upon whom a fine of \$500 was imposed together with a jail sentence of thirty days, for having a modern copper still and about fourteen quarts of illicit liquor in his possession. He was taken into custody by State Agent O. D. Hedge, Sheriff Huffer and County Attorney Howard S. Foe, and taken to Franklin where he was bound over to District court. He was brought before Judge Blackledge in chambers here Saturday, and upon conviction fined and sentenced. However, by putting up the necessary bond his parol was arranged.

W. G. Hamilton and R. P. Weesner were in Lincoln Tuesday attending the hearing held by the state board of control concerning the location of the new state reformatory. There are fifteen towns in the state asking that this institution be located in their respective community amongst which is Red Cloud and the above named gentlemen from this city were there to explain the facilities of this city.
