PAWNEE CHURCH REVIVAL

A successful revival meeting held at the Pawnee Union church, for four days was brought to a termination last Sunday evening. As usual the people of the vicinity, particularly the young ladies, lost no time in having the sacred edifice in good order. Artistic decorations were unique and pleasing and reflected great credit for the energy manifest on the occasion. The people of the vicinity were greatly enthusiastic and turned out in large numbers to hear the talented and illustrious lecturer and noted theologian Rev. L. S. Terry, of Wauneta, Nebraska.

Rev. Terry styles his church, as "Christ's Church," speaking each successive evening from the various texts of the Bible with great eloquence and force of argument, illustrating every point and each verse with much lucidity and held the attention of the entire congregation by his majestic powers of speech. It was quite noticeable throughout the progress of the revival that many belonging to other churches as well as a few who did not belong to any church were anxious to accede to his doctrine and teachings and fall into line with "Christ's Church."

The church though large and spacious was crowded every evening particularly the last day of the revival, as many admirers of Rev. Terry arrived from Hastings, Red Cloud and Phillipsburg, Kansas. Having completed a long period of missionary work Rev. Terry now retires to his home at Wauneta to take a much needed rest. Before leaving he exhorted and advised the people to persevere and do their utmost in following and practicing the fundamental truths taught by "Christ's Church," and consoled his brethren by announcing that "with God willing he would be back again in October." I wish now to note that great credit is due the young ladies who compose the choir and a word of appreciation extended those who entertained the strangers with a sumptuous dinner.

Rulers whose Ends Were Tragic.
For high tragedy nothing can approach the manner in which the Roman emperors quitted earth's stage, Julius Caesar was assassinated on the Ides of March, Tibertus was suffocated, Claudius was poisoned by his wife, and Commodus by his favorite mistress. Galba was slain by the Praetorian guard; Caligula, after having declared himself to be a god, was murdered; while Nero committed suicide to save himself from the hands of the executioners.

Finger Rings Dangerous.
According to the Seattle representative of the shipping board, finger rings constitute a fruitful source of accidents to shipyard workers. "If you wish to avoid accidents," says this authority, "leave them off when you go to work. Within thirty days two men have lost fingers as a result of accidents for which their rings were responsible, and more than twenty less serious mishaps have been reported which were due to the same cause."

Shock for the Explorer.
The sable coat of 150 skins for which \$10,000 was paid recently is not, as might be supposed, the most expensive fur coat in the world. Some years ago the czarina was presented with an ermine mantle valued at \$12,000; and an explorer in eastern Greenland recently discovered a native girl wearing a dress of silver fox skins worth, at present prices, nearly \$30,000.—London Tit-Bits.
