BOY SCOUT OUTING

August 2 to 11 at Miner's Lake West of Red Cloud.

The Annual Boy Scout Encampment will be held at the above dates this coming week.

The Boy Scouts of adjoining towns have been invited. It is estimated about 25 from Red Cloud will be there.

The scout officers have secured the services of Rev. H. E. Lininger to take personal charge of the camp and direct the boys in their work and play. The officers feel elated that they could secure so competent a man as Mr. Lininger as he has been in the work for ten years and has had charge of boys in Y. M. C. A. work in Minnesota.

There will be a visitor's day which will be announced later during which the boys will give a program.

A charge of \$6.00 will be made for the expense of board for the ten days. This will hardly pay the actual cost of the board but the additional expense and all expenses of management etc. will be paid for by the business men of Red Cloud who have been liberal with the boy scout movement. The regular boy scout program will be carried out.

Boys will see their scoutmasters for a list of articles to be taken with them. There will be a meeting of the boy scout officers and boys Monday night to make plans for going the following morning.
