Coon--Romjue

The wedding of Ethel Formella Coon and Carl M. Romjue occurred Wednesday evening at the home of the bride's parents, Mr. and Mrs. Geo. Coon, west of town, Rev. Cope officiating.

The house and porch was one bower of pink and white flowers. Asters and ferns were used as the chief decorations. The ceremony was performed before an altar made of flowers for the occasion. The bride was given away by her father. Miss Mildred Pope played the wedding march and the wedding party was composed of bridesmaids Miss Alta Coon, sister of the bride, in pink organdy and Miss Lucile Romjue, sister of the groom, in white organdy; groomsmen, Everett Coon, brother of the bride and Everett McKee of Alma. Little Sarah Ellen Coon was ring bearer. Miss Ruth Young of Crete, sang "O Promise Me" and "I Love You Truly" during the service. Rev. Cope used the beautiful ring ceremony.

The bride's dress was of white satin with veil crowned by orange blossoms. After congratulations a three course luncheon was served by Violet Dietrich, Pearl Newhouse, Fay Richardson Willa McPherson, Jennie and Ida Coon. Lemonade was served by Misses Blanche and Mabel Pope. Miss Georgetta Coon presided over the table where the presents were displayed.

This young couple caught the train at Franklin and expect to visit Kansas City and Excelsior Springs for a short time.

The out of town guests were: Mr. and Mrs. Young and daughter Ruth of Crete. Warren Pope of Kansas City, Mo., Miss May Hursif of Bloomington, Miss Esther Wagoner of Hastings, Mr. and Mrs. Robert DeWitt and daughter Carrie of Redlands, California, Mr. and Mrs. J. Boyce and daughter Mildred of North Branch, Kansas, Mrs. Mina Wadell and daughter Rachel of Decatur, Ill., Mrs. Dora Bogenrief and daughter Hazel of North Branch, Kansas, Everett McKee and sister Elizabeth of Alma and Raymond Haskins of Republican City.

Munger Murderers Caught

Two years ago Harry Zimmerman of the Kansas-Texas filling station here was running an oil wagon out of Burr Oak. One day he was out near North Branch with his wagon when two men in a Buick car stopped to get gasoline from him. The men seemed to be in a hurry, inquiring the way into Nebraska, saying they wished to get to Guide Rock, Neb., in order to send a telegram for money. Harry also noticed that one tire on their car was down and cut almost to ribbons. That night when he got back to town someone asked him if he had seen the murderers. Upon inquiry he learned that Deputy Sheriff Munger, of Athol, had been killed and the murderers had left a Dodge car at the scene of the crime and had taken the sheriff's Buick car. Harry immediately turned in the information he had and other men were found who had also seen the pair. Later the Buick car was found in a mud hole near Superior and a cattle man identified a photograph that tallies with a description of one of the men seen in the Buick, as being the picture of a man who rode from Superior to Kansas City on the same train he did at about that time. Last Saturday, Harry with the Smith county officials went to Nelson, Neb., to see two men who have plead guilty to the charge of robbery in attempt to identify them as the men who are believed to have killed the Athol man. Harry is sure one of the men held was in the Buick car the day of the murder and bought gasoline of him. Other men, however, could not make a positive identification and as the prisoners had been sentenced to long terms as bank robbers, they were taken to the Nebraska state penitentiary and the murder charge was not placed against them at this time.—Jewell Republican.

Weds at Osborn, Kansas

Miss Mabel Koontz and Dewey Saladen were married July 25th, by Probate Judge J. F. Irey, of Osborn, Kansas. The newly weds made no announcement of their marriage and the news of the event was a surprise to many of their friends.

The bride is the daughter of Mrs. Mabel Koontz. She is an accomplished young lady and has taught several terms of school since her graduation from high school. The groom is a highly respected young man and he is employed in the Hall garage.

Buried With Military Honors

The remains of Private Charles A. Johnson arrived in this city Saturday morning in charge of a soldier escort from Fort Des Moines who released the body to the parents of the deceased. The remains were taken to the Amack Undertaking parlors where the casket was kept until Sunday afternoon at which time the bereaved parents and the local American Legion Post accompanied the body to the New Virginia church where the funeral services were conducted. Rev. Chas. E. Schofield, pastor of that church officiating. A male quartet consisting of Frank, Eustace and Cecil Bean and Rev. Schofield furnished the singing. The church was inadequate to hold the large number of friends who were present to pay tribute to the memory of a hero who gave his life for his country. A large number of floral pieces and the American flag covered the casket. Several of his boyhood companions and members of the company in which he served acted as pall bearers.

Interment was made in the Payne cemetery where the American Legion Firing Squad fired three volleys over his grave and Paul Poinelky sounded taps.

Charles Albert Johnson was born in Lindsay, Nebr., May 3, 1893. In the spring of 1905 he moved with his parents to a farm near Inavale where he grew to young manhood.

On Sept. 20, 1917, he answered the call of his country and went with the second group of drafted boys to Camp Funston, Kas. While in training there he and several of his comrades organized a Sunday School. About the first of March, 1918, he was transferred to Camp Stuart, Newport News, Virginia. There he joined the regular army and was sent over seas with Co. G, 4th U. S. Infantry.

On the morning of Memorial Day he started for the front, and on the fifth of June advanced to the front line. They crossed the Marne river on the morning of July 21st. In all he served in the Danger Zone for fifty-seven days, or until he met his death at Chateau Thierry, July 29, 1918. His death was caused by a German machine gun bullet which proved fatal while he was being transferred from the field to the Base Hospital. At the time of his death he was 25 years 2 months and 26 days old.

His father, and mother, four brothers; John, Henry, Oscar and William and four sisters; Helen, Pearl, Anna and Mabel are left to mourn his death. His brother Roy joined him in the Great Beyond on December 23, 1918.

Are you fair to your watch?

An automobile needs frequent attention. What about your watch—a mechanism infinitely more delicate?

CARBON in the motor of a car will decrease the running efficiency of that car. And yet the carbon will accumulate. The car owner, knowing this, has his car frequently overhauled—and the carbon removed.

And yet this same man, perhaps, will allow his watch, a mechanism infinitely more delicate, to run for years without attention. All the while it is accumulating dust—for tiny dirt particles will sift in through the most tightly fitting case—and this will in time impede the timekeeping performance of the watch.

Your automobile performs occasional service, but your watch has to run continuously for a full twenty-four hours each day. Look at your watch. How long has it been since you took it to a jeweler for examination?

Our Service Department is well equipped to make any repairs and adjustments that may be necessary.

And while you are in, we particularly invite you to view our very complete stock of new watches dressed in attractive Wadsworth Cases.
