**Miscellaneous Shower**

Tuesday evening Miss Grace Kengle was tendered a miscellaneous shower in honor of her approaching marriage. The event was arranged by her sister Gladys and Mrs. Grace Wolf at the home of her mother, Mrs. Chas. Brubaker. The house was beautifully decorated in pink and white. The lights were arranged to cast a green glow over the artistically arranged decorations with wonderful effect. Many beautiful bouquets selected of colors to harmonize were used to give tone to the arrangement.

The evening was spent in singing and reading, after which dainty refreshments were served. Miss Keagle was given many very beautiful and useful presents.

**Death Claims Two More**

**MRS. RUDOLF STREIT**

Mrs. Rudolf Streit passed away at her home in Catherton township last Saturday evening, her sudden death coming as a great shock to friends and relatives. She has been in poor health for several years but was feeling well as usual Saturday morning. Her husband was called from the field before noon to find his wife unconscious. She never revived and passed away at 8:30 in the evening.

Amiele Lambrecht was born in Freeport, Ill., December 6, 1869 and has been a resident of the township since she was eight years of age. She was united in marriage to Rudolf Streit June 29th, 1890. To them were born nine children, three of whom have passed to the great beyond. She leaves to mourn her death five sons, Rudolf, Carl, Benjamin, Nick and Herman; one daughter, Ellen; the husband, her mother, four sisters and three brothers besides a host of friends.

The funeral services were held Wednesday morning at the Dane church, Rev. J. L. Beebe in charge.

**CHARLES H. COLEMAN**

Death brought relief last Saturday evening about 6 o'clock to Charles H. Coleman who has been confined to his bed for some time and has been in poor health for the past four years since suffering a stroke of paralysis.

The deceased was born in the state of Ohio on the 24th day of April, 1846. He served his country for seventeen months during the Civil War and after his discharge returned to his home which at that time was in Linn county, Iowa. In the year 1872 he married Amanda Butcher and to them were born two daughters, Mrs. Elvadora Cummings of this city and Mrs. Fannie R. Spiers who lives in California.

His wife died in 1891 and he married Miss Nora C. Butcher May 18th, 1892. To this union were born two children Mrs. Lillian Maude Gurney of Lincoln, and Ray Francis Lawson who resides at Lebanon, Kansas. Mr. Coleman was an old time resident of this section, having come to Smith County, Kansas, in the early days, where he lived for a few years and moved to this city. He was a member of the I. O. O. F. lodge.

The bereaved wife, three daughters and the son, besides other relatives whom he leaves to mourn his death have the sincere sympathy of his many friends.

Funeral services were held from the Christian church by Rev. Beebe Wednesday afternoon and interment made in the Webb Hill cemetery in Smith county, Kansas.

Charles Christy returned home Tuesday evening from Verdun where he had been plastering a school building.

Miss Charlotta Buerstetta left Saturday for several weeks visit at Maxwell and Kearney, before her school begins.

Mr. and Mrs. P. A. Smith of Haxton, Colorado are visiting friends here this week. He is a brother-in-law of Rev. Cope.

**Large Number Are Joining Grain Growers Organization**

The farmers of Nebraska are answering the insidious attack made on the U. S. Grain Growers, Inc., by the organized grain interests through the Grain Dealers' National Association.

During the first two weeks and a half of the individual membership campaign 325 farmers in Thayer and Nuckolis counties signed the grower's contract with the U. S. Grain Growers. These contracts involve close to three-quarters of million bushels annually. Announcement has also been made from the office of the state organizer that 97 cooperative elevators have signed contracts agreeing to handle the grain of farmers who later take out a membership. So successful was the work among the elevators that C. H. Gustafson, national president and state director, decided to practically discontinue this phase of the work and concentrate on the membership campaign.

One of the recent elevators to sign a contract is the cooperative concern located at Richfield, fifteen miles from Omaha. Not only did the directors agree to put their organization behind the U. S. Grain Growers, but they further pledged their cooperation by attaching their names to grower's contracts. President Seibold expressed a desire to call a mass meeting of stockholders and give them an opportunity to join this movement. The cooperative elevator located at Chappell was the last elevator to sign up, and it is incidentally, one of the best in the state. It has 300 stockholders and in two days last week paid out \$25,000 for grain. After the principles of the U. S. Grain Growers had been explained to the board of directors of the Maquette cooperative elevator, it signed a contract for the elevator and eight men accepted the grower's agreement.

At the start of the individual membership campaign in the state but one team of four men was used. This number has been increased to four teams with the men working in the same community. As soon as the solicitors have become fully acquainted with the organization the teams will be sent to different sections of the state. An insistent demand from farmers has made it necessary to extend the membership work. They are anxious to pledge their support.

**OLD SETTLERS' PICNIC**

The following committees have been appointed to arrange for the coming meeting of the Old Settlers of the county:

**Mr. Farmer:**

We have always dealt with our patrons in a fair, square, open and above board fashion, giving you the best possible price for your produce and selling you goods at the lowest possible margin of profit.

**We believe in "putting all the cards on the table"**

Our competitors have advanced the price of cream five cents above the station price in order to attract attention to this particular item, using this as a bait to get your business coming their way after which the price can easily be adjusted to normal.

**We pay you as much as you can get anywhere**

By mis-leading advertisements you might be lead to believe that our competitors are paying more for your produce than the Farmers Union, but this is not true—**WE POSITIVELY PAY YOU AS MUCH AS ANY BODY** and what profit we make is paid back in dividends. It is a splendid idea for the farmer who has had any differences occur in his tests, to weigh his cream before he takes it to a station. It is possible for an advanced test to be given by deducting from your weight, which is very misleading to the patron.
