Isador Johnson Becomes Partner in Furniture Co.

A deal was consummated the last of the week whereby Mr. Isadore Johnson purchased an interest in the Graham Furniture Company's business in this city and the firm will operate in the future under the style of Johnson & Graham Furniture Company.

Mr. Johnson has been manager of the Graham Furniture store here for the past two years and has proved himself a competent and conservative business man and the business has thrived under his successful management. The company have added Victorias, Victor records and sheet music to their line besides having one of the most complete stocks of furniture in the entire country.

The business will continue under the personal direction of Mr. Johnson.

The Bohemian Girl

The subscription sale to the Dunbar English Opera Company which will sing Bohemian Girl at the Besse Auditorium Thursday, October 13th, is still open for reservations. All requests are being filled in the order of their receipt.

Ralph Danbar, the well known Chicago producer has given his operas a gorgeous setting and the appearance here will mark an epoch in musical and theatrical annals. The star role in the opera is being sung by Lorna Doone Jackson, whose interpretation last season of the capricious "Carmen" was warmly acclaimed by critics thru out the United States. Miss Jackson is possessed of a wonderful voice of great range and dramatic power.

Chamber of Commerce and Business Men's Lunch

On Monday last the first monthly Booster Luncheon was served in the Masonic Hall to over sixty of our leading business and professional men and women.

The ladies of the Eastern Star served the elegantly cooked chicken, sweet potatoes etc in their most admirable manner.

As the affair was largely in the interest of good roads the Secretary was instructed to invite the County Commissioners who, it was thought would be in session. Only one of them showed up, viz Mr. Stumphenhorst of Blue Hill. Mr. Fausch was present and had expected to bring Mr. Boomer from the State Agricultural College to address the meeting.

Mr. Boomer did not arrive however and Mr. Fausch made a very capable substitute. First addressing those present upon the importance of the Farmers Institute he swung around upon the topic of roads and made a splendid opening for discussion.

Mr. Connie Starke, Mr. Frisbie, Dr. Damerell, Mr. Frank Cowden and others discussed the matter most interestingly.

Mr. Stumphenhorst and Mr. Perry were both called on for a few remarks and at the end of the meeting upon motion, of F. W. Cowden the Road Committee of the Chamber of Commerce arranged to meet with the County Commissioners on Tuesday afternoon for discussion as to how to get at this matter.

We understand that as a consequence of this meeting the Commissioners agreed to take care of the worst places on the road East and informed the committee that the road South was already being graded.

If you are a booster get your reservation for the next lunch by seeing J. C. Mitchell, Dave Kaley or Ed Garber.

"Listen to Me" Pleases The Auditorium Patrons

"Listen to Me" a musical extravaganza in which about thirty people took part was presented at the Besse Auditorium last Sunday evening to a very appreciative house. The unique scenery and clever electrical lighting added greatly to the success of the show. The costumes were splendid, the music good, and the graceful movements of the many trained dancers greatly delighted those present. The entire entertainment was absolutely clean, very humorous and a treat to the people of Red Cloud and vicinity. Messrs. Betz, Mercer and Blake assisted in the orchestra.

The management of the Auditorium is to be congratulated on securing attractions of this class for the local theatre.

Large Audience Hears Noted Artists in Recital Thursday

The recital tendered the music lovers of this city last Thursday evening by Mr. E. H. Newhouse in which Emerson Williams and Miss Jean MacNeil assisted by Chester Gaylord, three world famous artists in their line sang and rendered instrumental selections in comparison with their own voices and performance as re-created by the new Edison phonograph, was one of the most splendid entertainments of the season. The Auditorium was packed to its utmost and chairs were brought in to provide seats for many. The numbers as rendered and their re-creation on the new Edison were identical. Except for the movement of the lips of the performer it would have been impossible to tell the actual voice from its re-creation. To prove this conclusively Miss MacNeil began singing, the house was darkened, and as her voice came forth clear and sweet, the lights were turned on and Mr. Newhouse stood before the audience, the singing was being re-created by the phonograph.
