Actual Front Line War Films Coming to the Besse Auditorium AMERICAN LEGION BENEFIT Our citizens will have an opportunity to witness a Real World War Picture at the Besse Auditorium next Sunday and Monday October 9 and 10th. Ex. Sgt. C. W. Stevens, Co. C. 353rd Infantry 89th Division will appear here in person with his 5000 feet of Actual Front Line War Pictures which were taken by Army Staff Photographers in Europe. There is plenty of fighting action all through the picture and the scenes of the different fronts, villages and our own U. S. Soldiers are wonderful. You will learn more what our boys had to go through with by seeing the actual moving scenes, than they could explain to you or by reading any book or history. It is indeed wonderful what the Motion Picture Camera has done for us. Where this picture has been shown a number of ex soldiers have recognized themselves or some "buddie" in the film. We hope this won't prove an exception here for it makes the picture the more interesting to know that some of our home boys are being shown on the screen. Every Real American should see this film for it is Authentic, Historical and Educational. Ex. Sgt. Stevens should show to a crowded house at the Besse Auditorium, next Sunday and Monday. The prices are easy 20c and 40c (included tax). Benefit American Legion. Farm Loans I am ready as always to make any and all farm loans at the lowest rate and best option. Absolutely no waiting and no expense for inspection. J. H. Bailey. George Kaley returned home Monday after spending a few days with friends from Hastings who went on a hunting expedition at Barwell. George didn't state how much game he killed. Come out and see the foot ball game Friday afternoon, Republican City vs Red Cloud. The lineup of the local team has been changed and strengthened and the team hopes to put up a better game. Glen C. Frey of Red Cloud, Nebraska has returned to Nebraska Wesleyan University in University Place where he is now a member of the Junior class. Miss Zelma R. Wondrousy of the same city has entered Wesleyan as a freshman, says A. C. Hunter. Sunday afternoon Red Cloud and Superior played off the "rub" game on the local diamond and the local team won by a score of 11 to 3. Slaby was on the mound for Red Cloud and pitched an excellent game, letting the visitors down with five hits, while Chas. Pitchler caught for him. What H. P. McLadden, Ex-Soldier of Natoma, Kansas says about Sgt. Stevens World War Pictures.—I was myself overseas for fifteen months and saw six months actual fighting on the Western Front and I believe I am in a position to know whether the pictures are real or not—I do not hesitate to recommend them as such. The first foot ball game of the season occurred Friday afternoon on the Hedge field at which time the Alma High School defeated the local team by a score of 55 to 0. The home team never had a look in during the game and at no time was Alma's goal in danger. Our team is composed of mostly new material and they did not display the "pep" and fighting activities of former teams.

The Biggest Musical Organization On Tour

Ralph Dunbar's English OPERA COMPANY

In announcing the coming of Ralph Dunbar's production of BOHEMIAN GIRL as the biggest operatic event of the season, I am only repeating the opinion expressed by every theatre manager where this matchless attraction has been presented. The star of the organization, MISS LORNA DOONE JACKSON, made such a decided hit on the Pacific Coast last winter that the western managers urged Mr. Dunbar to send her back again this season. This move had almost been agreed upon when managers of theatres in Michigan, Indiana, Illinois and other middle western states made the Chicago producer promise to keep Miss Jackson in this vicinity and now Mr. Dunbar is making his word good. He took Miss Jackson from his "Robin Hood" company, where she won plaudits from press and public alike, for her work as Alan-a-Dale, and gave her a gorgeous setting in his new production of BOHEMIAN GIRL. The same excellent company, with Miss Jackson, that has recently appeared in the leading theaters of Louisville, Indianapolis, Cincinnati and Dayton, will be brought to this city. This company includes JAMES STEVENS, the great American baritone. Stevens is pleasantly known from his association with "The Chocolate Soldier" and "Robin Hood." Here will be seen the same wonderful scenic equipment, the marvelous lighting system, the wonder chorus, the symphonic orchestra, and the properties and costumes that require two cars for transportation. While the stage of the BESSE AUDITORIUM is large enough to house any attraction that has heretofore visited this city, Mr. Dunbar's production is so mammoth that THE STAGE MUST BE CLEAR. ED OF EVERY VESTIGE OF HOUSE SCENERY AND PROPERTIES, AND THE REGULAR CURTAIN REMOVED TO ACCOMMODATE THIS MASSIVE SHOW. The box office will be open for the regular sale of seats OCTOBER 6. Mail orders will be received now and filled as they arrive, when accompanied by check or money order together with self-addressed stamped envelopes (to avoid error). The amusement tax of ten per cent must be added to the price of the tickets. The mail orders and advance sale for this unusual attraction will undoubtedly be the largest in the history of the theatre and we earnestly suggest early application for seats. Price: \$1.00 - \$1.50 - \$2.00. Plus Tax Seats on Sale Oct. 6th Manager, BESSE AUDITORIUM RED CLOUD, NEB
