CONSIGNMENT HOG SALE

A BIG SUCCESS
The combination consignment Hog Sale was a success. A large crowd of buyers were present to get some of the offerings. The sale was snappy. Col. J. H. Ellinger was at his best and proved to the local livestock breeders that he could sell their purebred stock as well as the high priced livestock auctioneer. There were no fictitious prices paid. The individuals sold at prices where they will make money for the purchaser as well as the consignor.

This was the second annual sale and buyers were here from Burr Oak, Lebanon, Smith Center and St. Francis, Kansas. On the Nebraska side they were here from Campbell, Republican City, Holstein, Lawrence and Bostwick.

The hogs were consigned by 22 of Webster county's purebred breeders. The consignment consisted of a choice bunch of hogs showing lots of types. Many were prize winners at the County Fair and Farmers' Institute. The entire consignment of 64 head averaged \$30.20.

The Durocs averaged \$34.00. The top boar consigned by Thomas McMahon sold to Edil Blumenthal for \$79.00. The top female consigned by Lorimer Edson sold to Elmer Bent for \$47.00.

The Polands averaged \$28.00. The top boar consigned by Alex Buschow sold to Frank Slaby for \$36.00. The top female consigned by Alex Buschow and sold to Frank Slaby for \$51.00.

TULLEYS NABBED BY

LONG BEACH POLICE
John W. Tulleys, former state accountant and former vice president of the American State bank, is under arrest at Long Beach, California. He will be returned to Lincoln next week to face the charge of having borrowed funds of that bank while he was an officer.

Albert S. Sandlovitch, also named as a defendant in the complaint sworn to by County Attorney Matson, was arrested in Lincoln Saturday. He was arraigned in Justice Stevens' court and gave bond in the sum of \$2,000 for appearance. The hearing is set for November 15. Sandlovitch was a director of the American State, now in the hands of a receiver. He also was connected with the Public Markets, also involved in receivership.

Deputy State Sheriff Karl Schmitt, Jr., left Lincoln for California late Saturday afternoon. He will return with two former officials of the bank. Frank P. Dwiggins, at one time president of the institution, was arrested at San Francisco. He faces trial on a charge similar to that against Tulleys and Sandlovitch, of having borrowed money of a bank while he was an official of such bank. Both Dwiggins and Tulleys have waived extradition and will return with the deputy sheriff next week. Notification of the arrest Saturday of Tulleys was conveyed in the following telegram received by State Sheriff Hyers from Chief of Police D. W. McClendon of Long Beach:

"John W. Tulleys under arrest here. He will waive extradition."

The complaint against Tulleys and Sandlovitch charges that on September 23, 1919, they unlawfully, wilfully, fraudulently and feloniously borrowed funds of the American State bank in the sum of \$30,611.25. They are alleged to have placed and received into the bank as a part of the assets of the bank, two promissory notes signed by defendants, one note for \$15,000 and the other for \$15,611.25. It is alleged further that at the time of the transactions, Tulleys was vice president and Sandlovitch a director of the institution and that the money which the notes called for was paid over by the bank to them.

The state banking laws prohibit the loan of funds of a banking institution

to officers or employees of such institution. The law also declares it a violation for any officer, director or employee to aid, abet or assist in the making of loans to officers and employees.—State Journal.

American Legion Endorses Red Cross Roll Call

Chicago, Nov. 7.—Staunch support has been pledged to the Roll Call of the American Red Cross by the American Legion.

At the annual convention, held this past week, in Kansas City, the following resolutions endorsing the forth coming enrollment and enlisting the influence of service men were unanimously passed on Nov. 2, the closing day:

"Whereas, The American Red Cross rendered valiant and unflinching service to service men of America during the war, and

Whereas, The American Red Cross is now co-operating to the fullest extent with the American Legion in its efforts to obtain immediate relief for disabled service men, and

Whereas, The American Red Cross is now appealing to the American public for support necessary to carry out its splendid work,

Therefore, be it resolved, that the American Legion in convention assembled endorse the Roll Call of the American Red Cross and call upon the service men of America to lend their influence and best efforts to the Roll Call in recognition of service that has been and is still being rendered."

Reports of organization for the Roll Call which are reaching Central Division Headquarters, here in Chicago, indicate increased interest in Red Cross activity over the preceding year in hundreds of communities. The present program which is being adapted to local needs in serving the people in all of the nine states of Illinois, Iowa, North and South Dakota, Nebraska, Minnesota, Montana, Wisconsin and Wyoming.

That enrollments will show an increase over the past year and result in increased service, to world war veterans and their families, in more public health nursing and greater community activity is the belief of workers in the 748 chapters of the division.

Many Sign Growers Contract In State During Past Week

E. R. Danielsor, Secretary of the Nebraska State Board of Agriculture, has signed a growers contract with the U. S. Grain Growers Inc., and will market the surplus grain from his farm near Osceola, through this farmers' co-operative company. Mr. Danielsor was one of the men to establish the co-operative elevator at Osceola in 1913 and has continued as a stockholder ever since that time.

The membership in Nebraska has passed the 3,500 mark, according to the state organizer, Osceola with a total membership of 124, leads all points in the state in the number of growers contracts, going ahead of Mead which has been in the lead for the past week with 116. Guy E. Huffman, of Aurora, has been doing the soliciting at Osceola.

Every member of the co-operative elevator boards in Kimball county which have become affiliated with the U. S. Grain Growers, has taken out a grower contract. George Burke, president of the co-operative elevator at Garney, has been conducting the work in Cheyenne county. A meeting was held at Dalton last week and practically a unanimous vote was given to sign the elevator contract. The Dalton house has a capacity of 30,000 bushels and at different times has handled more grain than any house in the state for a twelve month period. Friday morning thirteen farmers gathered at Dalton to learn the details of the new movement and at the close of the meeting every man took out a membership.

Jake Pedrett of Kimball, board member of the Nebraska Farm Bureau and president of the Nebraska Potato Improvement association, and George Ernest, manager of the co-operative elevator at Kimball and state board member of the Nebraska Farmers' Grain Dealers association, have charge of the membership campaign in Kimball county. Forrest Knox, of Dix, who is soliciting in this county, secured twelve contracts in soliciting seventeen farmers last week.

A unanimous vote of the nine directors of the co-operative elevator at Minden was given last week to sign an elevator contract with the U. S. Grain Growers. J. S. Cauday, president of the Nebraska Farmers' Grain Dealers Association, is president.

Come and Let

Rev Carter, the colored missionary, tell you what the Lutheran church is doing for the colored people in our country. Rev. Carter is said to be an interesting speaker and of a pleasing personality. He is touring the country in the interest of mission work, and will speak in Red Cloud Friday evening, Nov. 18th, at 7:30 o'clock in the Adventist church. You will enjoy this lecture.

Last Sunday a class of sixteen was received into Communicant membership of the church by Confirmation.

Regular services are held every first and third Sunday in the month in the Adventist church, Corner of 3rd Ave. and Walnut St.

The glad hand to all who desire to worship with us.

O. R. HEINTZ, Pastor

for wearing holes in their stockings at play. Romping play is good for them—let them romp. But put stockings on them that are "wear insured". Put them in
ARMOR PLATE Hosiery
which is made of the best and strongest yarns obtainable—knit to shape and size exactly—and dyed with Harms-Not Dye (which absolutely does not rot, burn or weaken the yarn). You'll buy Armor Plate stockings again and again because in service they keep their shape and color, fit snug and "wear like armor plate". And they're "perfect in weave, wear and wash."
