I. O. O. F. Hold Initiation

Tuesday night the I. O. O. F. lodge of this city together with a large number of visiting brothers met at the Masonic Hall where the degree teams of Hastings Lodge No. 50 conferred all four degrees on a class of candidates. The Hastings lodge is very proficient in their work and exemplified the ritual work the best that has been seen in this lodge for many years. Between the second and third degree the lodge adjourned to their own hall where the Rebekahs served an elegant lunch. At the close Grand Secretary Gage and several visiting brothers made short speeches. The Hastings members were also entertained at a 6 o'clock dinner at the Powell & Pope Cafe.

New Banner For Post 238

Tuesday the officers of the local American Legion Post received their new post banner from National Headquarters, which they ordered some time ago. It is 4 1/2 x 5 1/2 feet, made of the finest wool bunting, in two pieces sewed back to back, with the name of the post placed on in sewed letters. It is trimmed on three sides with yellow silk bullion fringe, mounted on a two piece screw joint ash banner pole, surmounted by a solid brass eagle and ornamented with eight yellow silk tassels and cord. The banner is of blue and the Legion emblem is placed in the center in bronze and gold. The local members are justly proud of it.

Fined \$500 And Given 30 Days For Making Whiskey

Last Thursday morning Sheriff Huffer drove to Bladen where he arrested Frank Beyan and Earl Reish on a charge of making "white mule". They were brought before Judge Ranney who bound them over to District Court and they appeared before Judge Blackledge that day and plead guilty. He sentenced each of them to 30 days in jail and also to pay a \$500 fine each. As yet the men have not raised the \$500 "ante" and will no doubt lay that out.

Community Christmas Tree

A most enthusiastic meeting of the various committees who are actually at work in the interest of this great community festival, was held at the Public Library on Tuesday evening. The various committees were all able to report progress, and matters are shaping up for a Christmas treat and entertainment which all may enjoy. Program and seating committees will work together, the lighting and decorating committees will have everything in fine shape, the finance committee will arm the Boy Scouts with sufficient tags to tag every front door in town. Now here is where you can do your part and help in this glad undertaking.
When you get your tag, set aside a certain sum to give as your heart prompts you, take it down town and give it to one of the members of the finance committee, or drop it in the special box for that purpose at the Johnson-Graham Furniture Co., or at Grice & Grimes.
Don't be afraid of giving too much, as any surplus will be used for the benefit of the really needy in Red Cloud and vicinity.
Don't forget that this program and treat will be given at the Sales barn on Friday evening, Dec. 23rd.
