BE PRACTICAL

The young man in love often goes into raptures about "the blue of the sea in her eyes and the golden haze of autumn in her hair," but remember this, young man—SHE'LL EAT just the same as any other healthy girl.

Therefore, get down to practical affairs. Save your money, deposit it in a good reliable bank like ours and get ready to own a home for you and the girl and to provide the three square meals a day that you will both need as long as you live. You know when poverty comes in at the door, love sometimes flies out at the window.

Siren Fire Alarm Ordered

Saturday the officers of the Fire Department ordered a new Federal Electric double head siren fire alarm from the Federal Electric Company of Chicago. The siren is operated by a two horse motor and upon its arrival will be installed on the Fireman's Hall. After thirty days trial if it proves satisfactory no doubt it will be purchased by the city. This new alarm will in all probability answer the requirements of this city. The bell now in use has not been heard by many of our citizens when the alarm was given for many of the fires during the past year.

Dray Line Changes Hands

Wednesday a deal was completed whereby Grant Turner, who has conducted a dray line in this city for several years, disposed of his International truck and dray and express business to Monroe Miente who has taken charge of the same and will endeavor to please his many patrons with courteous treatment. Jay Eddy will continue in Mr. Miente's employ. Mr. Turner retained his auto hearse and Reo truck and has announced no definite plans for the future.

Convention of Women's Clubs Held at Guide Rock

About twenty members of the Red Cloud Chapter, Federated Women's Clubs motored to Guide Rock on Tuesday to the first County Convention of Women's Clubs to be held in Webster county.

The morning session started about 10:30 and was opened by the invocation by Rev. C. F. Luscher of Guide Rock M. E. church.

Miss Jessie McCallum of Guide Rock presided at the session in place of Mrs. J. L. Whaley who is president of the Guide Rock Woman's Club.

The program as published last week was closely followed outstanding papers being "Club Activities" by Mrs. L. H. Hunter of Guide Rock, "The Woman's Club Movement" by Mrs. Mary McCall of Red Cloud, "Report of '21' Club" by Miss Jessie McCallum of Guide Rock.

The addresses by Mrs. A. J. Jenison, of Harvard, Nebr., President of the Fifth District and by Mrs. Edgar B. Penny State President N. F. W. C. were very good particularly the latter.

A reading by Mrs. Florence Bean of Inavale was very good, while Mrs. Ethel Kelley of Red Cloud read "The Palatine" by Willa Seibert Cather (our own poet) in her inimitable manner.

Vocal solos by Mrs. Ruth Gellatly of Red Cloud, Mrs. E. C. Moranville and another lady of Guide Rock whose name your correspondent does not remember were all very well received.

Mrs. J. M. Rawlings of Guide Rock played a transcription of "The Palms" as a piano solo and Mr. S. Hardman of Red Cloud played Cavatina by Raff and Souvenir by Ordla as Violin Solo accompanied by Mrs. N. B. Bush who also accompanied Mrs. Gellatly.

Altogether the whole affair was a real success, not the least portion of which was the invitation extended by Red Cloud for the Convention next year which was most charmingly extended by Mrs. F. J. Munday.

The dinner which was served in the basement of the Baptist church by the Guide Rock Woman's Club was most excellent.

I Am Your Town

Make of me what you will—I shall reflect you as clearly as a mirror throws back a candle beam.

If I am pleasing to the eye of the stranger within my gates; if I am such a sight as, having seen me, he will remember me all his days as a thing of beauty, the credit is yours.

Ambition and opportunity call some of my sons and daughters to high tasks and mighty privileges, to my greater honor and to my good repute in far places, but it is not chiefly these who are my strength. My strength is in those who remain, who are content with what I can offer them, and with what they can offer me. It was the greatest of all Romans who said: "Better be first in a little Iberian village than be second in Rome."

I am more than wood and brick and stone, more even than flesh and blood—I am the composite soul of all who call me Home.

I am your town.—The American Legion Weekly.

Immediately after the ceremony the young couple with the near relatives departed to the bride's home where a sumptuous four course dinner was served.

The bride is the eldest daughter of Mr. and Mrs. McCartney. She is a graduate of the Riverton High School and has taught two successful terms of school near Riverton.

The groom is the youngest son of Mrs. McPartland and has been a successful farmer for a number of years.

Mr. and Mrs. McPartland received many beautiful and useful gifts which will be very useful in preparing their new home.

They will be at home, to their friends, on his farm north of Red Cloud.

The Review joins with their many friends in wishing this couple a happy and prosperous life.—Riverton Review.
