Former Red Cloud Citizen Murdered at Sargent

Broken Bow, Neb., May 21.—Benjamin Talin, broom-maker, ended an argument over a wheat field with his brother-in-law, John Wilson, carpenter, at Sargent last night, by drawing a revolver and shooting Wilson twice as they stood in the latter's dooryard, according to officers who took him and Mrs. Wilson, the slain man's widow and Talin's sister, into custody.

Talin, after the shooting, went into the Wilson home, where he boarded, and started to eat his evening meal, but, according to Mrs. Wilson, got up, went outside and again shot the wounded man, killing him instantly.

Then Mrs. Wilson called local officers. Sheriff Talbot of Custer county brought the pair here early today and lodged them in the county jail.

Talin is charged with the killing, which he is said to admit; Mrs. Wilson is charged with complicity. County officials tonight declared that they and Sargent authorities had "more than sufficient" evidence to warrant placing that charge against the woman. The woman showed no emotion as she viewed her dead husband, it is said.

Talin, a bachelor, lived alone, not far from the Wilson home.

Last fall Talin put several acres of land owned by Wilson into wheat. Mrs. Wilson said the wheat did not make a good stand, and last week Wilson plowed it up and put it in corn.

This resulted in a heated argument, according to the woman, which ended in the tragedy.

Officials are of the opinion that a deeper motive caused the crime.—Monday's Omaha World Herald.

The above mentioned John Wilson resided in this city with his parents for many years and worked at the carpenter trade here. He was of a quiet disposition. His wife was a former resident of this city. His parents Mr. and Mrs. Robert Wilson passed away several years ago and his many friends were surprised to hear of his tragic death.

Mrs. T. K. McArthur returned home Monday evening from Hastings where she spent a couple of days with her brother, Chas. Ireland, who underwent an operation for appendicitis.

Two inches of rain fell in this locality the first of the week which will help the wheat along. Within the next few days the farmers will be busy cutting the first crop of alfalfa.

A. H. Byrum of Bloomington, who is aspiring for the nomination of governor on the Republican ticket, was in the city Saturday afternoon and addressed the voters on the issue of the day.

Miss Cecelia Peterson went to York Monday morning where she will spend a few days with friends before returning to her home at Smartville, Nebraska, where she will spend the summer with her parents.

Dr. H. E. Asher and wife of Scotts-bluff were visiting her sister, Mrs. Joe McCallum and family here this week. They were called to Campbell the last of the week on account of the death of her father, Mr. Brule.

John Sheet's trial came off before Police Judge B. W. Steward Friday morning at which time he was fined \$25 and sentenced to serve 45 days in jail. Mr. Sheets appealed his case to the district court and B. A. Sutton went his bond.

 The man who buys an USCO at \$10.90 is justified in believing that his money is going farther in tire value than it ever has gone or could go before.

Naturally he appreciates the quality of USCO. That was established long ago.

It is still fresh in his mind that USCO led the national market into the \$10.90 price range.

The makers of U. S. Tires always intended the 30 x 3 1/2 USCO to be the highest value in its field.
