

PROGRESSIVE FAIR

Red Cloud, Nebraska, October 3 to 6, 1922

YOUR FAIR

THIS FAIR SHOULD BE ATTENDED BY EVERY PERSON LIVING IN THIS COMMUNITY OR THE SURROUNDING TERRITORY ACCESSIBLE TO IT. IT IS, IN FACT, YOUR FAIR, AND THE OFFICERS ARE RUNNING IT FOR YOU. THEY WANT YOUR ASSISTANCE IN MAKING IT A FAIR THAT THE WHOLE COMMUNITY WILL BE PROUD OF. THEY NOT ONLY WANT YOUR ATTENDANCE, BUT THEY WANT YOU TO EXHIBIT SOMETHING. A FAIR CANNOT BE MADE A SUCCESS WITH OUT LIBERAL AND SUBSTANTIAL ENCOURAGEMENT FROM THE PUBLIC AND EXHIBITORS. WHILE THE MANAGEMENT ASSURES THE PEOPLE THAT IT WILL SPARE NEITHER TIME, LABOR NOR EXPENSE TO MAKE THE EXHIBITION LARGE AND A GLORIOUS SUCCESS, IT WANTS TO BE SECONDED BY THE LIBERAL HAND OF THE WHOLE PEOPLE IN THIS PART OF THE STATE, AND IS RELYING UPON YOU, AND YOUR NEIGHBORS AND FRIENDS, TO BOOST THE FAIR IN EVERY WAY YOU CAN DEVISE.

OUR AIM

WE AIM TO GET UP AN EXHIBITION THAT WILL NOT BE A PLAIN REPETITION OF THE EFFORTS OF FORMER YEARS; BUT PLAN TO HAVE A LIVE, PROGRESSIVE FAIR, ABUNDING IN FRESH AND NOVEL SIGHTS, AND FEATURES THAT WILL BE INTERESTING. WE HOPE TO BE ABLE TO MAKE THIS THE MOST MARKED AND MEMORABLE OF ANY SHOW EVER HELD BY THE SOCIETY, OR HELD IN THIS SECTION OF THE COUNTRY. IT WILL BE OUR ENDEAVOR TO HAVE THE GROUNDS, HALLS AND EXHIBITS EXCEED IN EXTENT, NOVELTY, CLEANNESS, FRESHNESS AND SPLENDOR, THOSE OF ANY FORMER YEARS, AND THE OCCASION MORE CONSPICUOUS AND GRATIFYING. WE ARE AMBITIOUS TO HOLD A FAIR THAT WILL HAVE NO SUPERIOR IN ITS CLASS, AND BE THE EVENT OF THE SEASON. DO YOU APPROVE OF THIS? IF YOU DO, CO-OPERATE WITH US IN GETTING THE RESULTS.

Gallant Elevator Operator.
In a downtown building several
people were waiting for the elevator. The
car was crowded when a lady stepping
in attempted to pull friend husband
along. The alert operator called, "Just
one more, that is all," and pushed
the gentleman back. "So you want to
separate us," said the lady. "Yes,"
was the answer; "I would rather separate
you this way than the other
way."—San Francisco Argonaut.

Mother's Cook Book

Mothers feel more keenly than all
others that they have given hostages to
the future. They know that they are
wrapped up in the welfare of posterity.
If that influence falls, there is no influence
for good that can succeed.—Coolidge.

GOOD THINGS FROM CARROTS

THERE are many housewives who
make a practice of canning a few
jars of tender young carrots to use in
the winter. These are especially good
for little children, as they lack the
tough fiber of the vegetables that are
used for winter.

Carrot Soup.

Take one cupful of cooked carrots
pressed through a sieve, add two
tablespoonfuls of butter, one table-
spoonful each of onion juice and
minced parsley. Cook one tablespo-
onful of butter with one of flour and
add to a pint of hot milk, stir in the
other ingredients and serve hot.

Buttered Carrots.

Sliced carrots with a potato cutter
into shoe strings, cook until tender in
very little water, adding butter, lemon
juice and a grating of nutmeg with
salt and cayenne to season. Serve
very hot.

Carrot Catchup.

Take one pint of sliced carrots
cooked, three green peppers chopped,
removing all white fiber and seeds,
two medium-sized onions, one tea-
spoonful of mustard seeds, one cupful
of sugar, three-fourths of a cupful of
vinegar, one teaspoonful of salt and
one-half teaspoonful of paprika. Cook
all together until thick.

Carrot and Apple Butter.

Take one pint each of grated raw
carrot and tart apple, two cupfuls of
sugar, the grated rind and juice of
lemon. Cook all together until thick.
Seal in hot jars.

Carrot Salad.

Put through the meat grinder
enough tender carrot to make a cup-
ful, add one-half cupful of finely sliced
apple, two tablespoonfuls of minced
walnut meats, a tablespoonful of
grated onion, salt and cayenne to
taste. Mix with a highly seasoned
dressing and serve on lettuce.

KIDDIES SIX By Will M. Maupin

MY DESIRE

I ASK not wealth,
To pile in golden store.
I ask but health
That I may toll the more
For those I love that I may give
Them daily comfort while they live.

I ask not fame
To blazon 'round the earth,
I hope my name
Will stand for honest worth
So that my children proudly wear
The humble name their parents bear.

I ask not place
To wield official power,
I ask for grace
Upon me every hour
So I may amply time employ
To scatter smiles and hope and joy.

I ask not length
Of idle days to live,
I ask for strength
To help me gladly give
A helping hand to those downcast
Beside my way as I walk past.

I ask not ease
While others suffer loss
I ask to seize
And help them bear the cross
So they, too, stand erect a while
And look about with face illumined
with smile.

I ask not days
To spend in selfish gain,
I ask but ways
To banish grief and pain,
So that at close of ev'ry day
"He helped me on," some soul will
say.

I ask no prize
That earth may hold in store,
I ask mine eyes
May see yon fairer shore;
That I may hear at life's descending
sun
The final verdict passed: "Well done."

Giddap.

A traveled friend has observed how
differently the horsemen of different
lands urge on their steeds. The British
click their tongues; the Norwegians
make a sound like a hiss; the Arabs
roll a long "ee" and the Neapolitan
coachman barks like a dog.

The Friendly Path

By WALTER I. ROBINSON

OTHER FELLOW'S JOB

DON'T covet the other fellow's job.
One of the weaknesses of hu-
manity frequently seems to be dis-
satisfaction with the work men and
women are called upon to perform.
Time and again we hear complaints
concerning the duties devolving upon
individuals. From the wall that goes
up one would imagine that the world
would be a happy, contented place if
nearly everyone could swap his job
with someone else.

Every job seems attractive to some
person who is engaged in some other
job. No matter how poor or rich
men and women may be, they fre-
quently are dissatisfied and covet the
privilege of treading the pathways
which others walk.

This is pure folly and not only
causes continuous unhappiness and
discontent, but keeps men and women
from winning material success in the
important work to which they devote
their time.

Unfortunately men often imagine
women have easy tasks and women
covet the jobs of men. This is one
of the chief causes of domestic dis-
cord and often leads to the divorce
courts.

In this connection we recently
heard an interesting yarn. A woman
orator, who was decrying the hard
life of the fair sex, demanded what
her audience knew of women's work.
She asked if there was a man present
who had "day after day gone quietly
downstairs, made the fire, cooked his
own breakfast, sewed missing buttons
on children's clothes, cleaned the pots
and kettles and swept the kitchen."
In the rear of the hall a timid, spec-
tated man arose bashfully and yet
with a twinkle in his eye. He was
the husband of the orator and had
never before had a chance to assert
himself.

This parable—for such we suppose
it is—drives home two valuable les-
sons. First, it teaches that very often
those who complain the loudest often
are little hurt; second, that no one
can judge the desirability of others'
jobs.

One's tasks are pleasant or distaste-
ful to the extent he would make them
such.

A Financial Rainbow

SAVING ACCOUNT is a most welcome rainbow
to the financial storms of your life. After the
clouds have rolled by and you find your Savings
still there, the future will look ever so much
brighter and cheerful. And you will be glad that
you started an account.

Why not get busy to-day? Take a few dollars and start an
Account with this bank. And with a little added each week
plus the interest we contribute, you will soon have a sum to allay all fears
of any financial storm in the future.

If not already a depositor open an account today.
