Business Men's Luncheon Largely Attended

The first business men's luncheon this fall, was held to-day noon with about sixty present at Howe's Cafe. The luncheon was well gotten up and Mr. Betz's orchestra furnished appropriate music for the occasion. After luncheon Toastmaster F. C. Maurer, called the meeting to order, and after a brief outline of what the luncheon was for, he called upon Henry Fausch who introduced Newton W. Gaines, of the State University, who made a very good speech on "Community Welfare."

Dr. R. S. Martin, Commissioner of the American Legion, was present and stated the outline of a celebration which this organization is going to have on November 11th. They will have a "Legion Day" celebration at 10:00 a. m. and will have a parade at 1:00 p. m. and will have a picnic at 2:00 p. m. The American Legion is now in the process of organizing a legion in Red Cloud. Mr. G. B. Bonham and F. W. Gossman were appointed to work with the Legion.

The next that came before the meeting was "What to do with the Chamber of Commerce?" Some spoke of the things it had accomplished, while others wanted to re-organize some wanting to dispose of the pool and billiard tables and also observe Sunday laws at the club.

We were compelled to leave before the meeting adjourned, hence we do not know what action was taken in the matter.

Vance's Efforts Rewarded

Jack Waller was up from Cowles Monday, and imparted to us the information that "Dazzy" Vance, who has pitched his way to fame with the Brooklyn Nationals, was made a present of \$1,000 by the manager of the Brooklyn team, at the close of the recent ball season. "Dazzy" started his base ball career at Cowles. "Dazzy" is with the same club that Clarence Mitchell is playing with and it was largely through "Mitch" that "Dazzy" got a chance to land with the Brooklyn team. Both of these big pitchers were formerly boys who grew up in this section and began their base ball career in this part of the state and of course their old friends are always interested in them. Mitchell pitched five games this year, and played 1st base in 51 games. He went to bat 150 times, for 15 hits and his batting average was .290—Blue Hill Leader.
