Confidence

We Back up Our Statements with Our Personal Reputation and Money.

We are so positive that we can cure consumption, no matter how chronic it may be, that we offer to furnish the medicine free of cost if we fail.

It is worse than useless to attempt to cure consumption with cathartic drugs. Laxatives or emetics do much harm. They cause a reaction, irritate and weaken the bowels and makes constipation more chronic. Besides their use becomes a habit that is dangerous and often fatal.

Constipation is caused by weakness of the large intestine or descending colon. To expect a cure you must therefore tone up and strengthen those organs and restore them to healthier activity.

The discovery of the active principle of our remedy evolved the labor of the world's greatest research chemists. It possesses all the best qualities of the remedial active principle of the best known intestinal tonics, and it is particularly prompt in its results.

We want you to try the Rexall Orderlies on our guarantee. They are exceedingly pleasant to take and are ideal for children. They act directly on the nerves and muscles of the bowels. They do not purge or cause any inconvenience whatever. They will positively cure chronic or habitual constipation and the myriads of associate or dependent chronic ailments. Try Rexall Orderlies at our risk. The H. E. Grice Drug Co., Red Cloud, Neb.
