ONE mistake men often make is in not having clothes enough. They seem to think two suits of clothes bought at one time, or two overcoats, would be extravagant.

The fact is, if you buy our Hart Schaffner & Marx clothes, two suits or two overcoats at a time would be economy. A raincoat, shown here, or a fancy fabric overcoat for daily wear; and a black or oxford overcoat for dress occasions; a fancy weave suit of some new color and pattern for business, and a black or blue serge for changing occasionally, and for dressier times; every man ought to have such an outfit.

You'd find it economy; and the clothes will all last longer if you don't wear them continuously; get them pressed occasionally.

We want to see our customers dressed right. We'll take care of it for you if you'll let us.

This store is the home of Hart Schaffner & Marx Clothes

W. H. Taft Is Elected President

Probably Has 298 Votes in The Electoral College.

William Howard Taft of Ohio, republican, has been elected twenty-seventh president of the United States, and James S. Sherman of New York, has been chosen vice president. This marks the close of one of the most remarkable campaigns in the history of the country.

Democrats Elect Governor.

A. C. Shallenberger Is Elected Governor and Probably the Entire State Ticket With Him.

Ashton C. Shallenberger of Alma is elected the next governor of Nebraska by a majority ranging between 8,000 and 11,000. From the returns already in it is expected that the entire democratic ticket of the state will be elected.

Democrats Elect Five Congressmen.

MaGuire in First, Hitchcock in Second, Latta in the Third, Ashton in Fifth and Westover in Sixth District.

Indications, backed up by fairly complete and accurate returns, point to the fact that Nebraska has administered a stern and scathing rebuke to Cannon and Cannonism.

In the Fifth district the election is claimed by Mr. Ashton by not less than 500 majority. In every county in the district he cut heavily in on the past majorities of Congressman Norris. Returns from all but four counties in the district put Ashton over 800 ahead. It is expected that he will break even with Norris in the four counties yet to be heard from.

C. R. Besse Wins Out.

Is Elected State Senator from the 26th District.

Charles R. Besse, democratic candidate, was elected state senator by a good majority.

L. H. Blackledge For County Attorney.

L. H. Blackledge was re-elected county attorney of Webster county by 489 majority. Mr. Blackledge carried fourteen of the eighteen precincts in the county.

Dr. H. F. Rains, republican, was elected representative from the 44th district.

Commissioners Overman and Chaplin were both re-elected to office.

Exhibits Go To Omaha Free

Baggage cars will be furnished by the railroads coming into Omaha to bring exhibits to the National Corn Exposition, free of charge and those who desire to send exhibits will be notified as to the days these cars will be carried by the railroads.

This arrangement was announced Wednesday by the corn show management, which has had the matter up with various railroads for some time.

The first railroads to agree to furnish the cars was the Chicago Great Western, General Passenger Agent, J. P. Elmer, writing as follows:

"We are permitted by law to move exhibits for fair and exposition, and we shall therefore take great pleasure in arranging baggage cars as you request."

Other railroads have been quick to follow and before the end of the week all roads are expected to furnish the cars which means much to both exhibitors and the corn exposition.

The plan is to have cars at all county seats in the state which will exhibit at the show in Omaha. Exhibitors need only express their corn, wheat, oats, alfalfa or other exhibit to the nearest point where the baggage cars stop to have the exhibits brought to Omaha with out charge.

The exposition will furnish an attendant with each baggage car who will be in charge from the starting place of the car until it gets to Omaha, seeing that the exhibits are properly handled. This insures the exhibits arriving in Omaha in the best possible condition and in good time.
