ONE KIDNEY GONE

But Cured After Doctors Said There Was No Hope.

Sylvanus O. Verrill, Milford, Mo., says: "Five years ago a bad injury paralyzed me and affected my kidneys. My back hurt me terribly, and the urine was badly disordered. Doctors said my right kidney was practically dead. They said I could never walk again. I read of Doan's Kidney Pills and began using them. One box made me stronger and freer from pain. I kept on using them and in three months was able to get out on crutches, and the kidneys were acting better. I improved rapidly, discarded the crutches and to the wonder of my friends was soon completely cured."

NO SKIN LEFT ON BODY.

For Six Months Baby Was Expected to Die with Eczema—Now Well—Doctor Said to Use Cuticura.

"Six months after birth my little girl broke out with eczema and I had two doctors in attendance. There was not a particle of skin left on her body, the blood oozed out just anywhere, and we had to wrap her in silk and carry her on a pillow for ten weeks. She was the most terrible sight I ever saw, and for six months I looked for her to die. I used every known remedy to alleviate her suffering, for it was terrible to witness. Dr. C— gave her up. Dr. B— recommended the Cuticura Remedies. She will soon be three years old and has never had a sign of the dread trouble since. We used about eight cakes of Cuticura Soap and three boxes of Cuticura Ointment. James J. Smith, Durmid, Va., Oct. 14 and 22, 1906."

Blighted Faith.

Edith's small friends were helping her celebrate her sixth birthday, and one embryo Prince Charming had become so devoted that seven-year-old Gladys slyly whispered to Edith's mamma that "Edith has got a beau." Mamma, who wasn't so very aged herself, felt that the role of chaperon was being prematurely thrust upon her, and explained to Gladys that small girls had little boy friends, not beaux. Gladys was not to be daunted, however.

"But I have a beau," she announced—"at least I had one, but he's married now. Just think, he promised faithfully to wait for me, and then he went off and married some one else. And now, with profound and tragic conviction, 'I'll never believe another man as long as I live.'"

Not Always What They Seem.

Prof. and Mrs. Hadley were on a train bound for New York, where Yale's president was to speak before a national convention. He made use of the hour and 20 minutes he spent in the train by rehearsing his speech in a low voice, using his hands to emphasize certain passages.

A kindly matron who was sitting directly behind Mr. and Mrs. Hadley, and who had been watching and listening, leaned forward and, tapping Mrs. Hadley on the shoulder, said, feelingly: "You have my sincere sympathy, my poor woman; I have one just like him at home."—Success.

NEW LIFE

Found in Change to Right Food.

After one suffers from acid dyspepsia, sour stomach, for months and then finds the remedy is in getting the right kind of food it is something to speak out about.

A N. Y. lady and her young son had such an experience and she wants others to know how to get relief. She writes:

"For about fifteen months my little boy and myself had suffered with sour stomach. We were unable to retain much of anything we ate.

"After suffering in this way for so long I decided to consult a specialist in stomach diseases. Instead of prescribing drugs, he put us both on Grape-Nuts and we began to improve immediately.

"It was the key to a new life. I found we had been eating too much heavy food which we could not digest. In a few weeks after commencing Grape-Nuts I was able to do my household work. I wake in the morning with a clear head and feel rested and have no sour stomach. My boy sleeps well and wakes up with a laugh.

"We have regained our lost weight and continue to eat Grape-Nuts for both the morning and evening meals. We are well and happy and owe it to Grape-Nuts. 'There's a Reason.'"

DOWN MISSOURI WAY

CANADA'S RESPECT FOR LAW AND ORDER THE SUBJECT FOR FAVORABLE COMMENT.

Those who have visited Canada are always impressed with the strict observance that is given to the laws of the country, and the order that is preserved everywhere. The editor of the Gazette, of Fulton, Nev., recently paid a visit to Western Canada. He was so impressed with the conditions that he saw everywhere, that on his return home he was inspired to write as follows: "Reverence and respect for law is a dominant characteristic of the Canadian people. Wherever one goes in Canada, whether east or west, the law is supreme. The law is obeyed because it is law, seemingly, and not because violation carries a penalty. Canada enforces the law and makes every law effective. No country is more free than Canada. In name Canada is a dependency of the British Crown. In fact, it is almost a third republic. All its taxes are voted, collected and expended by the Dominion and the provinces. The nominal head of the Government is the Governor General, appointed by the English Crown. Practically his only authority is to veto the acts of parliament, which he scarcely ever exercises. Canada gives nothing to the support of the English government or the English king. She gives England the advantage in trade regulations and tariff laws, and in return receives the protection of the British army and navy. Canada enjoys the protection without sharing in the expense.

"The sale of liquor is strictly regulated. None but hotel-keepers may obtain license to vend the stuff, and before a license can be secured an applicant must prove good character and provide twenty rooms in his tavern for the accommodation of guests. The bar-rooms close at 7 o'clock Saturday evening and remain closed until Monday morning. The schools and churches in Western Canada excite admiration. Though new, Western Canada is not godless. The finest buildings in every town are the churches. Next come the school houses."

Turning to the wheat fields of Western Canada, the editor of the Laurel (Neb.) Advocate of Sept. 17th says: "I have often thought that the reason that the characters of Charles Dickens are so impressed upon the minds of his readers is because he dwells upon them so long and describes them so minutely that by the time one has waded through his long drawn out stories they are so burned into his brain that he can never forget them. It was this way with the Canadian wheat fields. Had we only seen a few the memory of them might have worn away in time, but a long drawn out experience such as we had is sure to leave an uneffaceable impression. Never while we live shall we forget the Canadian wheat fields. They call it the granary of the British Empire, and we don't blame 'em. Nobody who has seen these wheat fields can wonder at their enthusiasm. It is worth while to record that these fields have now been harvested, and in many cases yields as high as forty and fifty bushels per acre have been marketed, while the general average has been away above 20 bushels per acre. Oats and barley have also done well, and the profits, the prices of grains being high, have paid the entire cost of the farms of many a farmer. There is now 160 acres of land given away, in addition to the 160 acres that the homesteader may purchase at \$3.00 an acre. Particulars of this as well as the lowest railway rates will be given by the Canadian Government Agent.

LEWIS' "SINGLE BINDER."

A hand-made cigar fresh from the table, wrapped in foil, thus keeping fresh until smoked. A fresh cigar made of good tobacco is the ideal smoke. The old, well cured tobaccos used are so rich in quality that many who formerly smoked 10c cigars now smoke Lewis' Single Binder Straight 5c. Lewis' Single Binder costs the dealer some more than other 5c cigars, but the higher price enables this factory to use extra quality tobacco. There are many imitations; don't be fooled. There is no substitute! Tell the dealer you want a Lewis "Single Binder."

An Intelligent Child.

A small boy was playing with the scissors, and his kindly old grandmother chided him.

"You musn't play with the scissors dear. I know a little boy like you who was playing with a pair of scissors just like that pair, and he put them in his eye and put his eye out, and he could never see anything after that."

The child listened patiently, and said, when she got through the narrative:

"What was the matter with his other eye?"—Bystander.

MIX FOR RHEUMATISM

The following is a never failing remedy for rheumatism, and if followed up it will effect a complete cure of the very worst cases: "Mix one-half pint of good whiskey with one ounce of Toris Compound and add one ounce Syrup Sarsaparilla Compound.
