

OUR BUSINESS IS ON THE INCREASE!
WHY?

Because our prices on these goods are right—almost as cheap as the inferior goods sold by other houses. We invite you to the largest house in the county, one that pays taxes on \$19,000 worth of goods while our competitors pay on \$7,500. You can readily see where to trade to get the goods. We are here to stay. Give us a trial and be convinced. We are not undersold by anybody.

Do you know that it will pay YOU, as well as US, to buy your Building Material and Coal at our prices? Not only that, but we will deliver your goods, or we will see that you get them. We are here to stay. Give us a trial and be convinced. We are not undersold by anybody.
