

**When You go for an Outing
Away from Mental and Physical Cares
Your Eyes Work On**

The New Health-Ray glasses are especially recommended for outdoor sport and recreation.

No tiring light annoyance for the wearers of the Health-Ray, because they give the eye Quality Light in right proportions as Nature intended.

But ten per cent. of natural health light reaches the eye through the present eye-glass lenses you wear.

All the health-giving part is absorbed by the glass and few of any lens the heat rays reach the delicate retina of the eye.

The Health-Ray Lenses rest and protect, give health and vigor, transmit the finest health rays, and through this avenue create rich red blood for the entire system.

Health-Rays Give Easy, Comfortable Vision

No straining or straining to see as others see—no dread of the bright sun—no eye "break downs".

If you want the genuine, look for the above trade mark on each lens.
