**YOU** men who put your confidence in us in this matter of clothes are entitled to know the truth about what you buy here; and we're glad to have you know it; there's nothing here that we're afraid to tell the truth about.

Hart Schaffner & Marx clothes are all-wool; and all-wool is the only real, full value in clothes. We have some clothes that are not all-wool; we'll tell you so if you select any of them. We don't advise you to buy cotton-mixed goods; they're mostly disappointing, and that's bad for us as well as you. We have them here to sell to men who are not yet wise enough to insist on all-wool.

We'll try to persuade you to buy Hart Schaffner & Marx all-wool clothes; they'll cost more because they're worth more.  
Suits \$18 to \$40.

The Superior Express is greatly worked up over the ball games between the Superior and Red Cloud teams. In as much as we have scooped seven games out of twelve and have 11 scores to their 23 during the series we can not see how the Express can get much comfort out of the contest. One of the worst drubbings of the season was given the Superior team when they went down to defeat to the tune of 11 to 0 last Thursday. That ought to be humiliation enough. Superior will be compelled to wait another year before she can experience the joy of beating Red Cloud on the diamond. 1906, 1907, 1908, 1909 nice reading records.  
This office acknowledges the visit of Carson Hildreth, the great exponent of the strenuous life in the Republican valley, last Friday. Mr. Hildreth as president of the board of trustees of Franklin Academy is using the same methods in building up the academy as he uses in his own business and it will be a cold world indeed if the people do not flock to the institution by the hundreds. Just think of it he and his party have traveled over 1,700 miles and visited 12,000 homes in which they left literature pertaining to the academy. Mr. C. L. Cotting of this city is a trustee of the academy and assisted the party in the work here. Mr. Cotting informs us that this year will be the best in the history of the academy. Advertising pays. The Franklin academy is an excellent school and should accord a large attendance.
