A Seasonable Remembrance.

We have secured for 1910 a limited number of very expensive art calendars which we wish to present to our customers and those who should be our customers. We have selected this year another of Mrs. Moran's famous paintings entitled "Bright Angel Trail," a scene in the Grand Canyon of the Colorado. This is a companion picture to our 1909 calendar. It is a study of nature in one of her most sublime aspects. The artist has transferred her with faithful touch the romantic beauty of one of the most remarkable views on the American continent.
Reproduced in the finest style of color photography this calendar makes an ornament in any home. We should like to present one of these to every one but the expense for bids so. We must put you to a little trouble if you wish one. We ask you therefore, to call at our store and register your name in our calendar book sometime before December 15th if you want a copy. This is the only way by which you can secure one of these calendars and this offer is limited to adults only as we can not distribute to children. We cordially invite every one interested to call and register and incidentally to inspect the new lines of holiday goods we are showing. **NEWHOUSE BROS., Jewelers and Optometrists.**

Actual Starvation

The H. E. Grice Drug Co. Give Facts Regarding Dyspepsia
Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and how to obtain relief. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.
Dieting cannot cure dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics.
We are so confident that we can furnish relief for indigestion and dyspepsia that we promise to supply the medicine free of all cost to every one who uses it according to directions who is not perfectly satisfied with the results. We exact no promises and put no one under any obligation whatever. Surely nothing could be fairer. We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer.
We want every one who is troubled with indigestion or dyspepsia to get a box of **REXAL** Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, almost immediately relieve nervousness, indigestion, irritability, produce healthy digestion and assimilation, and promote nutrition.

A 25-cent package of **REXAL** Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases this is sufficient to produce complete relief. In more chronic cases, a longer treatment, of course, is necessary and depends upon the severity of the trouble. For such cases we have two larger sizes, 50c and \$1. Remember you can obtain **REXAL** Remedies in Red Cloud only at our store, **The Rexal Store. The H. E. Grice Drug Co.**

Nothing could more strikingly present the general popularity and evident worth of a candidate for office than the vote given him at the primary by those who know him best. The vote given to R. W. Koontz, candidate for county treasurer, in the precinct where he lived and labor so many years, was certainly most commendatory for that gentleman and bespeaks for him a strong following at the polls next Tuesday.

IT IS NOT A SAVING POLICY

to go without insurance. The risk assumed is too great for the small premium you keep in your pocket. Figure out how many years you would have to be free from any fire in order to save the value of your house and contents. Then consider that you may have a fire this very night. The cost of even a little blaze will be more than the premium of **ONE** year.
