

"I wished I had known of Chi-Namel before my floors were refinished" was an expression often heard among the many ladies who attended the Chi-Namel Demonstration at C. L. COTTING'S store. "I never knew that it was possible for a varnish to stand so much abuse and still be none the worse for wear. C. L. COTTING ought to do a good business with Chi-Namel and the patent graining system.

A Word of Explanation!

Might be the right thing at this time that the public may know why we have the John Deere Lister for sale, not that we think they are anywhere near as good as the Rock Island Tri-cycle, but the reason is simply this: Our competitor who is little in stature and smaller in principle has purchased from a local dealer a few Rock Island listers. The reason for this is they can sell but very few of their own so they think they can make the public believe we are getting more for our goods than we should, so the fight is on you may be the judge.

Commencing March 26

We call prices off and there may be a jolly time.

Mr. Hussong announces the definite time for the beginning of special gospel meetings at the Christian church as May 1st. Stine and Chappell, general evangelists are to assist the pastor in this campaign for a larger love and loyalty to Christ.

A Mass Temperance Rally for men only at the Christian church next Sunday afternoon at 3 o'clock. Rev. Baneroff of Lincoln will give an address, among other things he will tell us whether prohibition prohibits in Lincoln. Good music by the young people's quartet of the Christian church.

Born to Mr. and Mrs. Chas Crabill a bouncing baby girl Tuesday night. That is a simple statement yet it is sufficient to account for the extraordinary movements Charley made Wednesday morning. Grandpa broke the wire sending congratulations from Colorado.

The entertainments given at Tepe the past two weeks have been exceptionally instructive and pleasing. Mr. Warren exercises excellent judgment in the selection of his films. The canvas has been placed further back which makes a decided improvement in the pictures. These high class entertainments deserve liberal patronage.

Quite a large number of citizens turned out Friday night in response to the invitation of C. H. Potter. The meeting was called for the purpose of learning the views our people held in regard to the city water. It was reported that the supply is insufficient for our needs and some measures must be adopted to furnish the deficiency.

After considerable discussion as to whether or not there is any more water in the bottoms a motion was carried instructing the council to obtain the services of Dr. Condra of the State University and have him come and examine the geological formation and give his findings as a man of science.

This seemed to meet the approval of most of those present. Should the Council be unwilling to spend an approximate \$100 the money was to be raised by subscription.

The Easter services at the Congregational church last Sunday were apparently highly enjoyed by the large audiences present both morning and evening.

The music was of a high order and added much to the spirituality of the services. Special mention should be made of the solos sung by Glen Walker of the state university. They were appropriate and beautifully rendered. The church greatly appreciates his helpful services, and always extends to him a welcome.

The children who took part in the evening program equipped themselves nicely and added much to the enjoyment of all present.

In the Sunday School colored eggs were given to the children and in the evening the pastor presented each with a beautiful Easter card. The church was decorated very appropriately with flowers, pictures and mottoes. An offering for benevolences was taken amounting to \$15. It was a day long to be remembered by all present.

Similar Names Mark Wedding

The Couples of Same Name Marry and None Are Relatives.

Santa Ana March 22.—A double wedding distinguished by a remarkable similarity of the names of the principals was celebrated here today. George Baker, 72 years of age, was married to Sarah Baker, 65; while Florence D Saladen, 35, became the wife of Alfred R Saladen, 42. Save that Mrs. Saladen is a daughter of Mr. Baker, none of the principals in the double wedding are related. The two couples will travel together on their honeymoon to Red Cloud, Nebr., the home of Mr. Baker, returning later to make Santa Ana their home.

Advice Concerning Stomach Troubles and How to Remedy Them.

Do not neglect indigestion which leads to all sorts of ills and complications. An eminent doctor once said that ninety-five per cent of all the ills of the human body have their origin in a disordered stomach.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk.
