**Base Ball Season Opens**

**Red Cloud Shuts Out Seward 5 to 0**

The long expected opening of the base ball season arrived Tuesday to the intense enjoyment of all the fans. The day was an ideal one as far as the weather was concerned and by noon the city was filled with people dressed in holiday attire. The real opening commenced with a big automobile parade headed by the Red Cloud band. After the parade the crowd of people made their way to the base ball park. Fully 1000 people were in attendance. The grandstand, bleachers and both foul lines were filled.

Mayor Dahlman of Omaha tossed the first ball and while it was evident to all that he was not an expert ball player yet he managed to get the sphere somewhere in the neighborhood of home plate and the season was officially opened. Captain Grant was the first man at the bat and he made a safe single and captured the first sack. Mills sacrificed and Grant went to second, stole third and reached home scoring one for the first round. Another score was made in the third inning and three in the fifth and since Seward had failed to tally the game was assured. At this time the St. Joe Commercial Club came marching to the grounds their band playing "There will be a hot time in the Old Town Tonight." They filed along in front of the bleachers and were enthusiastic rooters for the home team. Seward failed to score and the game resulted in a Red Cloud victory of 5 to 0.

This is the first time that this city has witnessed a really truly league game of base ball and from outside of the fence it was a great game. Mitchell is certainly something of a pitcher and Carter at first base cannot be beat. Our boys all did some excellent work with the stick and their playing all thru the game gave universal satisfaction.

Our team is improving and we will nail that pennant at the close of the season.
