The outlook for a successful session of the Junior Normal at Alma this year is excellent. All the conditions that make a good school have been met, viz—a strong faculty, a rich and practical course of study, and first class equipment and surroundings. The school opens June 6, and continues eight weeks.
The gentlemen belonging to the Congregational church were tendered a banquet Tuesday evening at the home of C. L. Cotting. A number of toasts were given and an excellent good time is reported. After the speeches a church brotherhood was organized and an opportunity presented for larger usefulness.
Rev. A. A. Cressman has for the second time been honored within two years by the G. A. R. Post at Riverton with an invitation to preach the memorial sermon at that place Sunday morning May 29th 1910. He has accepted and there will be no services in the Congregational church on that day except the Sunday school at 12m.
The Galveston Daily News in commenting upon a recent defeat on the diamond at Houston asserts that it was a case of "too much Garber." It referred to our own Bert and he had the satisfaction of shutting out Houston to the tune of one to nothing and he received the credit for the one. That paper was loud in its praise for the work done by pitcher Garber. Bert goes to Cincinnati in a couple of weeks.
When the new Live Stock Judging Coliseum, one-half of which will be completed in time for the 1910 State Fair, Sept. 5th to 9th, will be fully erected it will measure 209x350 feet outside measurement, and contain seats for nearly 5000 people and a judging ring, 120x370. This is the same size building now owned by Minnesota, Indiana, Kentucky and several other states, and is recognized as the most convenient for the purpose for which it is intended. Nebraska as a state is far superior in the greatness of its live stock industry than any of the states mentioned. All loyal citizens are proud of the effort to creditably keep up state prestige.
We personally called upon owners of automobiles in the city asking them to tender the use of their machines to the old soldiers on Decoration day and we were not refused by anyone. It is a long walk to the cemetery now for the old boys in blue and they will undoubtedly appreciate this kindness. We were very much pleased with the readiness with which the people responded to our suggestion.
These little acts of kindness are what make life sweeter and better. Below we give the list of donors and for the entire city we give them a unanimous vote of thanks.
Jake Ellinger 1, Geo. Amack 1, Dr. Mitchell 1, Alva Sellars 1, Allen Carpenter 1, Dr. Cook 1, C. J. Platt 1, James Peterson 1, Rex McCall 1, C. F. Cather 1, Overing Bros. and Ed Amack 1, C. H. Miner 1, Newhouse and Storey 1, A. T. Walker 1, and L. E. Tait 1.
All of those who have autos and have not been solicited yet we would be pleased to see you in town Decoration day with your machine.
To Whom It May Concern.
RED CLOUD, NEBR., APRIL 29th, 1910.
All persons owning or having charge of lots in the Cemetery are requested to have all cleaning up or caring for graves done at least one day before Decoration day as no work of that kind will be permitted on Decoration day. As it is always attended with more or less trouble to the manager at a time when he can't give his attention to it. By order of the board.
C. C. McCONKEY, Manager

To the Teachers of Webster County.
The regular teacher's monthly examination will be held at Red Cloud the third Friday and Saturday following of each month.
Registration hours 8 to 10 a. m. and 1 to 2 p. m.
Since all schools are closed no departure will be made from the regular examination program.
I am pleased to note that teachers are beginning early to have their certificates renewed. The wide awake energetic teacher will not wait until the latter part of the summer before qualifying. School-boards dislike employing teachers who are not sure of their scholarship.
It is hoped that every teacher will endeavor to make her certificate better this year than last. I hope that the number of first grade and "With Credit" and "With Honor" second grade certificates will increase. By doing so, their grades will become permanent and we can devote our whole time and energy to our school work rather than preparing for examination year after year.
Let us have our County clear from emergency certificates, certificates issued with blank grades, or even third grades.
MABEL DAY,
County Superintendent.

Obituary
Luva Gertrude Burough, daughter of Mr. and Mrs. J. C. Burough was born in Ringgold County, Iowa, Aug. 22, 1898 and died at her home in Webster County, Nebr., May 20, 1910, aged 12 years 9 months and 28 days.
She was a bright intelligent child and held in high esteem by her friends and school-mates who will greatly miss her. A few years ago she gave her little heart to Jesus and fell asleep in his arms.
Two brothers and one sister have preceded her to the life beyond while a father, mother, four brothers, two sisters and many friends are left to mourn.
The funeral service was held at the home conducted by Perry E. Henry and assisted by Rev. W. M. Points and G. L. Wild. Many were the aching hearts that followed her to her last resting place in Walnut Creek cemetery. May God comfort the broken hearted parents as they mourn for their child.
A precious one from us has gone
A voice we loved is stilled
A place is vacant in our home which never can be filled
God in his mercy hath recalled the one his love hath given
And tho' the body moulders here the soul is safe in Heaven.
