LESTER

A nice rain fell Sunday night. Charlie Emick returned home Friday night. Sam Miller of Hebron has been visiting friends here. Mr. and Mrs. John Saladen spent Sunday at Gottleib Rässers. Mr. and Mrs. Al Decker spent Sunday at Ned Hurds of Cowles. Mr. and Mrs. Frank Fristle and daughter Sundayed at Alf Sandens. Mr. and Mrs. Lue Bergfeld and daughter visited at Hulshush Sunday. Fred Emick layed off from work on account of having an abscess on his hand. Quite a few of the boys went to Blue Hill Sunday to take in the ball game.

Mr. A. H. Sinks of Rochester, Ind. who has been visiting his sons out west stopped at the home of Charles Rasser on his route home.

SUNNY SIDE.

Mrs. W. S. Bense has gone to Tecumseh to visit her mother and relatives. W. S. is trying batching. Connie Rasser is putting in some wheat on the Al Decker place. He will live on the place next year. Joe Crow and wife went to Guide Rock Sunday. On account of the rain they did not get home until Monday evening. This part of the earth was soaked up by an inch and a quarter of rain Sunday evening. We are now assured of a good corn crop and the ground is in fine shape for wheat.

Mrs. C. H. Rust and daughters move to Red Cloud this week so the girls can attend school. C. H. will not be far behind them when they get there. The Sunny Side school house has a new roofed porch. House and out buildings newly painted. The children will appreciate the change as nothing is too good for the advancement of our children. Miss Ethel Garber will teach our school the coming year.

WESTERN WEBSTER

Little Evan Enyeart is quite sick this week. Mr. and Mrs. Everett Bean Sundayed at Frances Kelly's. We had a fine rain thru this part of the country Sunday night. Miss Anna Gilham came up from Red Cloud Saturday night to visit friends on Farmer's Creek. Miss Sadie Boon and her little niece Ethyl Boon came down from Franklin Wednesday to visit little Ethyl's father Art Boon. Mr. and Mrs. L. Daily and their two youngest children returned home Monday morning from a visit at their old home in Missouri. Mr. and Mrs. Lyman Herrick and daughter Edith of Campbell and Mrs. Mary Stryker of Kearney visited Sunday at C. L. Herricks. The Harvey clan spent Sunday at the "Klondike." They took their dinners along and spent the day in the grove. And they were all caught in the rain on the way home. All report a good time. **GARFIELD** Everybody talks show for Thursday. Mr. Carter and family called on T. W. Whites Sunday. Jeff Beauchamp and family visited Mrs. Ida Kent Sunday.

Ray Davis and his gray mare were on wind mill row Sunday. Julius Wobberman was working the roads on wind mill row Monday. A fine Nebraska rain of about an inch and a half on Sunday night. Mr. and Mrs. Holmgren were on wind mill row Sunday at Jim DeWitt's. George Honelhu bought a gray mare in town Saturday to replace the one that died. Leathin Campbell was a pleasant caller on Muriel and Ethel Fisher on Monday. Col. Wiggins has the addition to his house most completed. Ruben Schultz is doing the fine part. Will Fisher and children had an invitation out to dinner Sunday and of course he is not the fellow to refuse. Will Fisher stacked his millet Friday. He did a good job for he had a jayhawker and a blow stacker and they worked good together. George Harris was seen plowing with an over coat on the 25th day of August. We supposed anybody could keep warm in August plowing. George Coon has sold the Baxter farm to Miner Kent. That is a good farm Miner but it looks suspicious but we will take a cigar and call it square. Alfred Manley went to Guide Rock Sunday and did not get back until Monday but he says it was a nice rain and he is so cute but Alfred that is also had as staying a week.
