 For County Attorney Wm. L. Weesner
 For County Attorney Fred E. Maurer

Announcement.

Having been nominated by the Democratic and People's Independent parties for the office of County Attorney of Webster County, I take this method of announcing my candidacy and would most respectfully solicit your consideration at the coming election. If elected I shall to the best of my ability fairly and impartially perform the duties of County Attorney, laying aside all political considerations and having in mind only the best interests of all the people of Webster County, regardless of party affiliations. During my campaign I shall not allow myself to become obligated by any political entanglements and if elected shall enter upon the duties of the office free from restraint or influence of any person or set of persons and hampered by no anti-election strings or promises. If elected my sole aim shall be to protect and promote the best interests of all the people of Webster County.
 FRED MAURER, RED CLOUD, NEB.

Mr. W. L. Weesner, Democratic candidate for that representative was born in Green county, Tenn., in 1829 and moved to Jewell county, Kansas in 1884 where he engaged in farming and stock raising. In 1905 he moved to Red Cloud and continued the business of farming and stock raising until three years ago when he entered the stock business. He buys and ships cattle and hogs and has earned a reputation for honesty and business integrity.

Mr. Weesner is an energetic hard working man and gives his undivided attention to the business which he has at hand and he has had the necessary experience to fully qualify him for the office of that representative. Men who are level headed and who have had experience in life are needed in our state legislature and Mr. Weesner is a man whom the people can trust. He is for the people and against the unlawful corporation. A vote for Mr. Weesner is a vote for a clean honest, capable man of affairs.

Fred Maurer for County Attorney

Fred Maurer, Democratic and People's Independent candidate for County Attorney was born on a farm five miles north of Red Cloud, Neb., in 1874, his father H. J. Maurer being one of the pioneer settlers of Webster County. Mr. Maurer graduated from the Red Cloud High School in 1893 and from the Nebraska State University Law School in 1898, earning his way through school and starting out in life without a dollar. Mr. Maurer passed through the hardships and trials incident to the early settlement of the County, the hard times and the good times and is proud of the County of his birth. He began the practice of law at Red Cloud in 1897 and by careful and conscientious attention to business has made a success as an examination of the various court records will show, appearing as attorney in 57 cases in Webster County in the past year. He has also gained a reputation more than local as a successful Pension Attorney, practicing in all the various branches of the Department of the Interior at Washington, D. C. Mr. Maurer has been afflicted since birth with weak eyes, making it difficult for him to recognize people on the street, hence his personal acquaintance over the County is not so large as it otherwise would be but his many satisfied clients attest to his efficiency in his chosen profession. Mr. Maurer is a Webster County product with the best interests of the County at heart and if elected will give to the office the same careful attention that has won him success in his private life.

Mr. Maurer has occupied the position of Deputy County Attorney of Webster County for the past four years and is thoroughly familiar with the duties of the office.

Tell me not in mournful numbers
 That the town is full of gloom,
 For the man's a crack that slumbers,
 In these glorious days of boom,
 Life's real, life is earnest,
 And the grave is not his goal—
 Every dollar that thou turnest
 Helps to make the old town roll,
 But enjoyment and not sorrow
 Is our destined end or way,
 If you have no money, borrow,
 Buy a corner lot today,
 Lives of great men all remind us
 We can win immortal fame,
 Let us have the drums behind us,
 And we'll get there all the same,
 In this world's broad field of battle,
 In the bivouac of life,
 Let us make the dry bones rattle—
 Invest something for your wife!
 Let us then be up and doing,
 With a heart for any fate,
 Still achieving, still pursuing,
 Booming early, booming late

Another article appeared in the Argus last week in regard to the candidacy of Fred E. Maurer for county attorney. That paper failed to give the amount of business during the past year that Mr. Maurer's opponent has had in the courts of the county. We printed the sworn statement of G. W. Hutchinson, clerk of the district court, which showed that Mr. Maurer had four cases pending in the district court during the past twelve months. If cases in the district court are what count, why not publish the amount of cases this opponent has had during that period?

No amount of belittling or grand stand eloquence can get around those affidavits given by the custodians of the court records. These records show that Mr. Maurer has had eighty-nine cases in the various courts of this county within twelve months. These are plain statements of facts and they show that Mr. Maurer enjoys a good practice notwithstanding the attempts made to discredit him. The Argus article seeks to make considerable capital out of the statement that Mr. Maurer would not hesitate to employ counsel in any important case. In his address Monday night he emphatically stated that he would follow this policy but that he would not ask the county commissioners to levy one cent of tax upon the people for such assistance. No good attorney hesitates to counsel with his fellow attorneys neither does any good doctor hesitate to call in assistance when the occasion demands it. Mr. Maurer does not pose as a know it all but he has the element of prudence in his make-up which is very essential in conducting the affairs of this county.

Mr. Maurer's private life is above reproach, he has the ability and the education and experience which amply qualify him for the office of county attorney and a vote for Mr. Maurer will be a vote for a clean, honest, business-like administration. Vote for F. E. Maurer for county attorney.

Red Cloud will Have an Independent Chautauqua next Year

The postponed meeting of last week which was called to get an opinion of our citizens as to the advisability of forming a local chautauqua management met Tuesday night in the commercial club rooms. C. W. Kaley was chosen chairman and E. J. Overing Jr., secretary. After several preliminary remarks a motion was offered favoring the formation of a local stock company to conduct the chautauquas of the future. This was carried unanimously. As soon as it was ascertained that all were of the same mind the meeting became enthusiastic and the utmost good feeling prevailed.

It was then agreed that a stock company be organized with a capital of \$2000.00 and to issue non-assessable shares of \$10.00 each. No one person to be allowed to purchase more than ten shares. The following committee was appointed to draw up articles of incorporation, J. S. Gillum, I. W. Edson, R. D. Moritz, E. J. Overing Jr., and L. H. Blackledge.

A committee of twelve was appointed to solicit sale of stock so as to complete the organization as soon as possible. This committee is composed of the following: E. H. Newhouse, B. Saunders, L. P. Albright, H. J. Sheldon, J. H. Ellinger, H. Letson, Wm. Lippencott, Chas. Hunter, Oscar Ramey, John Marsh, Fred Good and F. G. Furnure.

An adjourned meeting will be held next Tuesday night in the commercial club rooms and the entire community is cordially invited to be present and participate in forming this organization.

State Senator Twenty-Sixth District Geo. W. Lindsey, Democratic Candidate for Representative of Webster County, Nebr.

ARSENE H'LEUREUX

The above is a likeness of Mr. Arsené H'Leureux of Campbell, Democratic and People's Independent candidate for State Senator. Mr. H'Leureux was born in 1861 and came to Franklin county in 1870. He has been continuously since that time. He began his career in this county by working out by the month. When 21 years of age he began operations for himself and has principally devoted himself to farming and stock raising. Mr. H'Leureux's farm is a model in every respect. He has ever been progressive and has shown what intelligent efforts will do in the way of making farming pay.

He was one of the organizers of the First National Bank of Campbell, and at the present time is vice president of that institution. He also helped organize the Franklin county Farmer's telephone company being on the committee which drew the constitution and by-laws of that company. He identified himself with the party in

1892 and has vigorously championed the cause of equal rights for all and special privileges to none.

When it was evident that an elevator would greatly benefit the farmers around Campbell Mr. H'Leureux immediately got busy and did everything in his power to make that enterprise possible. The elevator was erected and was a success from the start. Mr. H'Leureux is still connected with that institution and is at present serving as a director.

Mr. H'Leureux stands squarely on the Democratic platform and believes in the initiative and referendum. He is a progressive hard working man and well qualified to hold the responsible position to which he aspires.

With these qualifications and platform it certainly would seem that Mr. H'Leureux would be a most excellent acquisition to our State Senate to which office he aspires and asks the support of the people at the coming election.

For Aged People

Old Folks Should be Careful in Their Selection of Regulative Medicine

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and people of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. This remedy is called **Rexall Orderlies**. Rexall Orderlies have a soothing, healing, strengthening, tonic and re-

gulative action upon the bowels. They remove all irritation, dryness, soreness and weakness. They restore the bowels and associate organs to more vigorous activity. They are eaten like candy, may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhoea, excessive looseness, flatulence or other disagreeable effect. Price 25c. and 10c. Sold only at our store—The Rexall Store. The H. E. Grice Drug Co.

Widow's Pension.

The recent act of April 19th, 1908 gives to all soldiers' widows a pension of \$12 per month. Fred Maurer, the attorney, has all necessary blanks.

The object of this card is two-fold: First of all to thank you sincerely, for your royal support in nominating me—a compliment which any man may well be proud of.

Second, it is my way of introducing myself into the political arena "let's shake hands" and let us get acquainted let's get to biz. I am a Candidate for Representative of Webster County—the best County in the State. It is YOUR HOME, it is MY HOME. Our first and great object should be to make laws that shall BUILD UP and PROTECT all of the HOMES of Webster County! To this "Common Cause" let me ask the support of every voter.

Thinking you for whatever you may be able to do for me, and pledging you, I elected, my very best efforts for all of Webster County.

In this age of political chicanery every voter has a right to know what his Representative stands for. He should declare himself openly, and "on the square," and when elected, should thus conduct himself.

Government first, party second; principles first, party second; men first and party second. This is MY political creed.

Business principles should be inculcated into politics to the end that all needless expense may be saved.

Business should do what the tax payers want, it would save thousands of dollars.

The present Primary Law is a needless double tax upon the tax payers, and should be repealed.

The Agriculture Interest of our County demands better roads. A law should be enacted providing for smaller road districts in the counties, with local self-government. All moneys for roads and bridges should be equitably apportioned and distributed among the several counties.

I stand for County Option, and firmly believe that Good Government and Public Morals will be best served in that way.

Respectfully submitted,
 GEO. W. LINDSEY.
