Died.

At her home in Garfield township, Mrs. M. J. Andrus, Tuesday, Jan. 10, 1911, at the age of 73 years, 11 months and 21 days. Deceased was born in New York state Jan. 21, 1838, and moved to this country in an early day. Mrs. Andrus was beloved and respected by all her neighbors. None ever entered her home without a warm welcome nor left without the warmth of a genuine hospitality, so characteristic of the people of her ancestry. Disease did not destroy the charm of a kind, indulgent disposition, nor old age diminish her unselfish solicitude for her friends and loved ones. Adhering to the faith of her fathers, she united with the Methodist church in early life and loved to attend its services when health permitted. While she continued to enjoy the society of her friends and grandchildren, she has for several years realized that her active life was over and with resignation awaited the Divine call from death unto life.

Mrs. Andrus leaves an only child, Mrs. Elva Kent, to mourn her loss. Her husband preceded her into the great beyond in 1909. Impressive funeral services were held at the Ash Creek church to day conducted by Rev. Tompkins after which all that was mortal of this grand old mother of Israel was tenderly conveyed to the Martin cemetery where, by the side of her devoted husband where she now rests in peace.

"Smooth the locks of silver hair,
On our mother's brow with tenderest care,
Gather the robe in final fold
Around the form so still and cold;
Lay on her bosom, pure as snow,
The fairest, sweetest flowers that grow,
Kiss her and leave her our hearts' delight;
Her pain is over, she sleeps tonight."

Sulloway Pension Bill Passes House

Measure Grants Pension to All Union and Mexican Veterans and Adds Forty-Five Millions to Roll.

WASHINGTON, Jan. 10.—The house of representatives today passed the Sulloway general pension bill which grants pensions ranging from \$12 to \$30 per month to all soldiers who served ninety days in the United States army in the civil war and who have reached the age of 62 years. The bill adds about \$15,000,000 a year to the pension roll.

Speaker Cannon took the floor and made an earnest plea for the passage of the bill. The bill passed by 212 to 62.

The measure provides for the pensioning of all union soldiers regardless of disability, the only requirement being that they shall have attained the age of 62 years.

The scale of pensions fixed in the new bill, according to age as follows: Sixty-two years, \$15 a month; 65 years, \$20 a month; 70 years, \$25 a month; 75 years, \$30 a month.

It was declared by the advocates of the bill that 100 veterans were dying every twenty-four hours.—Omaha Bee.
