

## The King of All Cylinder Machines

The new "BKT" Columbia Graphophone is the one machine of its kind. It embodies the very points which have made the great success of the Disc Graphophones. Compact, convenient, shapely and simple, it is an entirely new departure in talking machine design. Plays both 2-minute and 4-minute records.

It has the famous Columbia Tone Arm and a big flower horn. No rubber tube, no horn crane, no horn stand—and the horn swings in any direction.

## Columbia Graphophone

Type "BKT" on Easy Terms

With a complete outfit of six Columbia Indestructible Records, your own selection—\$37.50—on easy weekly terms.

Other outfits \$20 and \$25, and all the way down.

**Cotting & Mitchell**

Mr. Alfred Turner and Miss Mabel Boom, both of Bladen, were married yesterday afternoon at the home of Rev. G. W. Hummel, who tied the knot. Both the bride and groom were born and reared in Webster county, and have a host of friends who will join the Chief in extending congratulations.

Drs. Riddle & Foote, the eye, ear, nose and throat specialists, of Hastings, will both take post-graduate work this summer. Dr. Foote is now in New York, and on his return Dr. Riddle will go. One or the other of them can be found at their Hastings office any day this summer, but they will not visit Red Cloud until fall.

Every little detail has been arranged for the comfort and entertainment of our visitors on the Fourth. The committees have all completed their work, all things are now in readiness. Pure spring water will be furnished all over the city, our lawns will be at the disposal of all, some of the entertainment is already on the ground and others arriving. This celebration will eclipse anything of a like nature ever attempted by this city. We are going to do our best to make you enjoy yourself, so come in with the children and for one day at least realize that you are a citizen of the United States and are proud of it. Remember the date, next Tuesday.

Our automobile booster club went down to North Branch Wednesday night, taking the band with them. They gave the people of that thriving city an excellent program and our boosters returned with the assurance that there would be many from North Branch at our celebration on the FOURTH. Bob Garrison of Guide Rock furnished a number of cars for the trip, which was much appreciated by our boys. A large crowd gathered to hear the band play. Many of the citizens declared that they highly appreciated the entertainment and said that they were not used to that kind of treatment. The return trip was made through Guide Rock.

The thirty-odd fans who went down to Superior Tuesday expecting to see a double-header came home disappointed. Owing to the crippled condition of the Superior team, the regular catcher being out of the game, the double-header was postponed until Wednesday. The one game played was a one-sided affair, Superior winning, 17 to 6. Jarrott started to pitch for Kearney, but was retired in the sixth inning after twelve hits, netting thirteen runs, had been made off his delivery.

The Inavale base ball team took the Red Cloud boys to a cleaning Tuesday afternoon by the score of 13 to 2. The home team presented a weak line-up, while Inavale made a much stronger showing than was expected. While errors contributed to the downfall of the home team, the Inavale bunch deserved to win, their team work being much better than that of the Red Cloud boys, and it is our opinion that they will make it interesting for Guide Rock should they match a game with that team.
