Our Booster club made a flying trip over the county Tuesday with seventeen automobiles in the interest of the Chaotauqua which will begin here Sunday. Cowles, Blue Hill, Bladen, Campbell, Upland, Macon, Franklin, Riverton and Inavale were visited and everywhere they were received with open arms. The Red Cloud Concert Band accompanied the club and delighted the people along the route with their splendid playing. This is the best advertising trip ever given a Red Cloud Chaotauqua and the efforts of our club will undoubtedly be successful in bringing the largest crowd ever here on a similar occasion. Our boys found many who were planning on attending this year and they all expressed themselves as being well satisfied with the talent which will occupy the platform this year.

Judge Harry Deagan of Hastings is making an effort to succeed himself as judge of that judicial district, and as is usually the case the Republicans are determined to attempt his defeat, solely on the grounds that he is a Democrat—that seems to be his only crime. Judge Deagan is the judge when presiding, and that seems to be one of the reasons why the little fish are nibbling at him.—Tamora Lyre.

We understand that E. U. Overman of this city has filed as a candidate for judge in this district.

The Red Cloud team went to Blue Hill yesterday and won a one-sided game, 23 to 5.
