

We Want You to See Our Finish

By that we don't mean funeral obsequies, but our superior quality of high-grade lumber, which is absolutely essential in any building where beauty and durability are desired. It's the stuff used for base, casing, cornices and all sorts of interior work; and to insure the best results should be of proper color and grain, according to the uses to which it is applied. Our finish in fir, yellow pine and cypress (or any other you might care to mention) was selected with due regard to its milling and drying, and we are anxious to show it to you and point out its advantages—natural color and grain—which cannot be secured in lumber purchased haphazardly from Tom, Dick or Harry. A look won't cost you a cent, but may add dollars to the value of your new home. Come in. We show you before you buy.

The new hall will be equipped with all modern conveniences and when completed will be one of the best buildings of its kind in the state.

Principally through the efforts of Rev. George Hummel, Webster county always has a creditable display at the state fair, and seldom fails to capture more than its share of premiums. Mr. Hummel is again preparing an exhibit and all who have anything which they deem worthy of sending to the "biggest agricultural show in the west" should notify Mr. Hummel before next Monday, August 28.

The Detroit (Mich.) Journal publishes an excellent profile of our own "Lefty" Mitchell. In commenting on Mitchell, the Journal says Mitchell will be the sensation of the major leagues in 1912. Mitchell has the headwork, speed, control, curves, lacking but one essential part, confidence, which will be rectified by more experience. Here's to Mitchell and hoping that we may hear of many victorious battles of Mitchell in 1912.

Services next Lord's day at the Christian church as follows: Bible school at 10 a. m. Preaching service at 11 a. m., sermon subject, "A Church Inspected." Preaching service at 8 p. m., sermon subject, "The purpose of the Gospel." It is hoped that each member of the church will be present at each of these services, and a cordial invitation is extended to the entire public to come and worship with us. We urge your presence for the con-

sideration of the above named subjects.—C. F. ROSE, Pastor.

The greatest list of horses ever had in the west is slated for the State Fair, Sept. 4th to 8th. The entries in each of the 16 races range from 8 to 39. On Monday, Sept. 4th, Governor Aldrich will dedicate the new grand stand which is 80x416 and has comfortable seats for 6,400 people. An especially good program has been arranged for that day, consisting of the 2:30 trot for \$1,000; the 2:30 and 2:17 paces, each for \$500; a 3/4 mile dash and 3/8 mile dash for runners, two miles of the 10 mile relay, aeroplane flights, Liberator's Military Band and grand concert company and seven vaudeville numbers.

Orrin R. Pitney

Orrin R. Pitney was born Nov. 8, 1854 at Ashtabula, Ohio and died Aug. 17, 1911 at the age of 56 years, 9 months and 9 days.

On Sept. 2, 1874 he married Lydia Melvina Taylor. To this union were born two boys and one girl, of whom the two boys Clyde and Floyd are still living.

On the 28th day of October 1891 he was united in marriage with Cora E. Harvey, a daughter of Wheelock Harvey (one of the best known pioneers of this county). There were born to this marriage four boys and two girls, of whom there are now living Paul, Lynn, George, Renfro and Doreas.

Mr. Pitney was a consistent member of the Christian church. He belonged also to the I. O. O. F. lodge of Red Cloud. In all the relations of life, son, husband, father, neighbor and senator, he deserved and enjoyed the esteem of those who knew him best.

Orrin R. Pitney, who died Thursday last, had long been one of the leading citizens of Webster county. He came to this country about thirty years ago, not early enough to take a homestead, but soon enough to have a good selection of the railway lands that were then subject to purchase at low prices. He settled on a choice farm a few miles north of what is now the village of Inavale, and soon approved himself as a man fitted to take his part in the building of a new community, by developing the resources of its soil and bringing to the land of his choice those qualities which are essential to
