OFFICE OF STATE FIRE COMMISSIONER

LINCOLN, NEBR., Oct. 28, 1911.

Read, Read and get Busy.

The time has arrived to blacken and set up the family heating stove, or start the fire in the furnace. The first thing to do before you set up the stove is to make a close inspection of your chimneys from cellar to garret, and then go upon the roof and see that it is in good condition, if it is not there is just one thing to do, and that is fix it.

The chimney should be cleaned out from top to bottom before you start a fire. Take a long pole, fasten an old gunny sack on the end of it and swab out the chimney, your stove will draw better, and it will not burn out, throw sparks on the roof and burn up your house. If your chimney happens to be one of these crooked kind, take a rope and fasten a log chain in the end of it and drag the chain up and down in the chimney until you have knocked all of the soot down, then clean out the soot, either from the hole in the bottom of the chimney or the lowest stove pipe hole.

Do not forget that a defective flue will rob you of your home, and all there is in it, and perhaps burn you and your family up, and if you neglect your duty to thoroughly inspect and clean it you can blame no one but yourself if you burn out.

The next thing to do is to inspect the stove pipe and elbows. The action of the salt and sulphur in the coal will eat and rust out at every length of pipe and elbow, take a stick and pound them and get the rust flakes and soot off of the inside, and where ever you see a rusty spot, see if you can punch a hole in it with your finger. Old stove pipes are guilty of thousands of fires every year, better give yourself the benefit of the doubt. Throw it away and buy new; it don't cost as much as a new house and household goods.

An old stove if it is sound is all right, but look it over and see if it is sound; don't take any chances. You cannot afford to. See to it that there is a good metal or asbestos lining under the stove on the floor, and if the stove sets near a partition or door, get a zinc protection and put it so there can be no question about safety.

There is an old adage that "An ounce of prevention beats a pound of cure." In these matters I have mentioned, an hours attention beats a life time of regret; and if you will heed the advice and get the habit, and do it every year, DEFECTIVE FLUES, OLD STOVES, OLD STOVE PIPES, and NO PROTECTION UNDER STOVES, will not be charged with as many fires in the future as they have been in the past. Very truly,
C. A. RANDALL,
Chief Deputy Fire Com.

and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatics, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fall to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often has been cured in sixty days.

No matter what you ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you. Remember, this free offer is for one day only.

Married ladies must come with their husbands and minors with their parents.

Free If It Fails

Your Money Back if You are not Satisfied with the Medicine We Recommend

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25c; 80 tablets, 50 cents. Sold in Red Cloud only at our store—The Rexall Store. The H. E. Grice Drug Co.

A Mail Carrier's Lead

Seems heavier when he has a weak back and kidney trouble. Fred Duhran, mail carrier at Atchison, Kas., says: "I have been bothered with kidney and bladder trouble and had a severe pain across my back. Whenever I carried a heavy load of mail, my kidney trouble increased. Some time ago, I started taking Foley kidney pills and since taking them I have gotten entirely rid of all my kidney trouble and am as sound now as ever." For sale at Dr. Cook's drug store.
