W. S. Bense's Farm and Brick Building For Sale to the Highest Bidder For Cash

All Bidders Are Requested to Keep Their Bids a Secret. Tell Same to No One. All Bids on Farm and Brick Building Will Close at 12 O'Clock Noon, January 2nd, 1912. All Bidders on Same Will Meet at the State Bank Between 2 and 3 P. M. January 2nd, 1912.

Some one of the bidders will be asked to open the bids in the presence of the assembled bidders. Then you will all know you are getting a square deal.

My farm and brick building are positively for sale and will be sold on January 2nd, 1912, to the highest bidder. I ask you to look over and thoroughly investigate both the farm and brick building at your leisure. I purchased the farm in 1906 at \$6,000 and since that time have added \$9,600 improvements, making the farm cost me \$15,600. I purchased the brick building in 1901 at \$7,000 and since that time have added \$5,300 permanent improvements, making this building cost me \$12,300. This building rents for \$720 per year in cash. These figures on both farm and brick building do not include any raise in real estate values while I have owned them.

Bidders are requested to place all bids in a sealed envelope and deposit \$500 with each bid in some bank, and before 12 o'clock noon, January 2, 1912, all sealed bids and deposits must be transferred to the State Bank of Red Cloud, Nebraska. In case you are the lucky bidder and fail to take either place, you forfeit your \$500 deposit, and then such place will fall to the next highest bidder.

There is a lease on said brick building that expires May 17, 1914. I will give a clear title to both places except the lease on building.

This farm is in first class shape. The plow land has all been plowed 8 inches deep in the past year. Ten acres is now in fall wheat and 15 acres fall plowed for corn. Eighty acres plow land in one field. Twenty-eight acres in alfalfa, fine new stand. 30 acres pasture and 10 acres wild grass meadow. Balance in lots, yards, orchard, etc.

There are no sunflowers or cockle burrs on this farm. This farm will make any person a fine home. Plenty of good shade trees, fruit trees, grapes, etc. Plenty of good water piped to ten separate places. Excellent hog sheds and feed lots with cemented floors and troughs.

I will give to the purchaser of said farm first chance to buy anything I have, such as alfalfa, prairie hay, corn, oats, wheat, horses, cows, implements, etc., at private sale. Also 14 brood sows that raised 127 spring pigs and 114 fall pigs this year.

Bidders must realize that I must have something near what these properties have cost me. I will donate the increase in real estate values since I purchased them.

I will reserve the right to reject any and all bids if unreasonably low.
W. S. BENSE, Owner.

School Board Duties

OMAHA, Nov. 13.—To the Editor of The Bee: At the last city election, as in many past, I was at a loss to know how to vote on the School board. This matter has always puzzled me, and I know it was equally puzzling to many others. Therefore, I feel that you will bestow a great favor upon many if you will answer the following question: "What are the duties of a member of the School board, or rather, what part does the School board have in the education of our children, and in what way is a member of the School board paid for his services?"

Thanking you, as will a great many of your readers, I am, A VOTER.
The school board of Omaha, made up of twelve elective members, has complete charge of the administration of the public schools. It has just as much, if not more, power in Omaha than have the school trustees in a country school district, but it has come to exercise that power according to

fixed rules and precedent which amount to self established limitations. As a consequence the part of the school board in a school room work of educating the children is performed thru the superintendent of schools and his corps of principals and teachers whose recommendation or orders are subject to approval or reversal of the board. The fact that this power to overrule the superintendent is not often exercised in any drastic way does not make it less real.

The main part of the School board in the education of our children arises from the control of the purse strings. Not a dollar of school money may be lawfully expended except by the board. The board makes the budget, fixes the school tax rate, formulates bond propositions, sells the bonds and disburses the proceeds.

Under the law a member of the School board receives no pay for his services; membership is supposed to be entirely honorary and uncompensated. Everyone knows, however, that the temptation is strong to use the position for personal advantage, and we have had many cases of sisters cousins and aunts attached to the payroll merely because of relationship or dependence upon some school board member. Some members of the school board also have been able, by judicious trading, to put themselves on the payroll on their retirement, although these instances have been exceptional.

For these places on the school board it goes without saying we ought to command the most intelligent and highest grade of our citizenship and particularly men who may be depended upon to perform the duties wholly and solely in the interest of the children who look to the public schools for their education—Omaha Bee.

A Statement of Facts Backed by a Strong Guarantee

We guarantee immediate and positive relief to all sufferers from constipation. In every case where our remedy fails to do this we will return the money paid us for it. That's a frank statement of facts, and we want you to substantiate them at our risk.

Resall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Resall Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. We cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why we back our faith in them with our promise of money back if they do not give entire satisfaction. Three sizes: 12 tablets 10 cents, 36 tablets 25 cents, 80 tablets, 50 cents. Cured in Her Own Home Town

KEARNEY, NEBR. Mrs. Belle Harlan, 1318-8th Ave., tells the way for her fellow townsmen to be cured of their kidney and bladder ailments, as she was cured. "I had a severe attack of kidney trouble when I heard of Foley Kidney Pills and took them. I had a severe pain across my back and felt miserable and all played out, but after taking Foley Kidney Pills, the pain left my back and I felt greatly improved and once more full of life. Today I am glad to say I am free from kidney trouble and gladly recommend Foley Kidney Pills to all who suffer, as they cured me." Sold at Dr. Cook's drug store.

Best on Earth

This is the verdict of R. J. Howell, Tracy, O., who bought Foley's Honey and Tar Compound for his wife. "Her case was the worst I have ever seen, and looked like a sure case of consumption. Her lungs were sore and she coughed almost incessantly and her voice was hoarse and weak. Foley's Honey and Tar Compound brought relief at once and less than three bottles effected a complete cure." For sale at Dr. Cook's drug store.

An Alarm At Night

That strikes terror to the entire household is the loud, hoarse and metallic cough of croup. No mistaking it, and fortunate then the lucky parents who keep Foley's Honey and Tar Compound on hand. H. W. Casselman, Canton, N. Y., says: "It is worth its weight in gold. Our little children are troubled with croup and hoarseness, and all we give them is Foley's Honey and Tar Compound. I always have a bottle of it in the house. Sold at Dr. Cook's drug store."
