THE PEEVISH CHILD NEEDS TREATMENT

When a child sulks drowsily, or is fretful, it is usually due to some slight disorder of the digestive organs, and a mild laxative is very often all that is necessary to restore cheerfulness and buoyancy of spirits.

In cases where the use of a gentle, effective laxative stimulant is indicated, many of the best physicians are now prescribing Dr. Caldwell's Syrup Pepsin. This preparation is admittedly the perfect laxative, being mild, yet positive in its action on the bowels, and far preferable to violent cathartics and purgative waters.

Dr. Caldwell's Syrup Pepsin is sold by druggists everywhere in 50c and \$1.00 bottles. If you have never tried this splendid remedy, write to Dr. W. B. Caldwell, 201 Washington St., Monticello, Ill., for a sample. He will be very glad to send a trial bottle without any expense to you whatever.

RECORD OF A GREAT MEDICINE

Doctors Could Not Help Mrs. Templeton—Regained Health through Lydia E. Pinkham's Compound.

Hooper, Nebraska.—"I am very glad to tell how Lydia E. Pinkham's Vegetable Compound has helped me. For five years I suffered from female troubles so I was scarcely able to do my work. I took doctors' medicines and used local treatments but was not helped. I had such awful bearing down pains and my back was so weak I could hardly walk and could not ride. I often had to sit up nights to sleep and my friends thought I could not live long. At my request my husband got me a bottle of Lydia E. Pinkham's Vegetable Compound and I commenced to take it. By the time I had taken the seventh bottle my health had returned and I began doing my washing and was a well woman. At one time for three weeks I did all the work for eighteen boarders with no signs of my old trouble returning. Many have taken your medicine after seeing what it did for me. I would not take \$1000 and be where I was. You have my permission to use my name if it will aid anyone."—MRS. SUSIE TEMPLETON, HOOPER, NEBRASKA.
