FIRE

THE ALARM OF FIRE is a dreadful thing for the man without insurance. Every time he sees the engine racing along he is art. comes up in his mind if there is anywhere near his place a fire, what has taken place.

THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.

GERMAN AND ENGLISH SPECIALISTS

Will be at the Royal Hotel TUESDAY, OCT. 1st

and Will Remain

ONE DAY ONLY

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases

OFFER THEIR SERVICES FREE OF CHARGE.

The German and English Specialists, licensed by the State of Nebraska, for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the cost of medicines. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonable, sure and certain in their effect.

These doctors are considered by many among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases, and so great and wonderful

have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physicians, should not fail to call.

If you are troubled with piles you should be sure to call. Don't wait for more serious complications to tell you of the dangers of this cruel disease, as now The German and English Doctors have cured cases where other doctors, medicine and operations have utterly failed. A cure in the most severe case is practically certain.

According to their system no more operations for appendicitis, gallstones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife, with blood and with all pain.

If you have kidney or bladder troubles bring a two ounce bottle of your urine.

Deafness often has been cured in sixty days.

REMEMBER, this free OFFER is for this trip only.

Married ladies must come with their husbands and minors with their parents.
