R. BESE, Committeeman.
 It is not the site of a town, but its character that makes it a desirable place to live. A live, prosperous town is a desirable one to live in and a town may prosper and yet be small. Every citizen in a town should be interested in its prosperity. One of the best ways to help a town is to speak well of it. It is true patriotism to stand by your own town, and interests that effect the town should effect every citizen.
