Stickney Gasoline Engines

ARE THE BEST

Proof

The reliable Stickney Gasoline Engine with its outside fan, its perfect cooling system, its automatic mixer, its ball bearing governor and its straight line valve motion is HERE. Come and see it and let us explain to you what the Stickney Engine will do for you—how simple it is and what satisfaction you will have if you own one.

We have an engine ready to demonstrate to you any time you come—We want you to see how easy it starts—We want you to start and stop it yourself—We want you to see how steady it runs—what large bearings it has—how it is built for business and satisfaction—Come and pull it to pieces and if you don't say its the best ever, we will eat our hats.
