ACCEPT BELIEFS OF BUDDHA.

Fifteen Thousand Converts to the Doctrine in America.

Baltimore, Md .- "There are 15,000 Americans today who worship the sun and there is equally as large a number who are accepting the beliefs of Buddha and other oriental deities."

This statement was made by Rev. Paul S. Leinach of Easton, Pa., in an address at the Reformed church gathering at the missionary exposition here. He declared that the work of the missionary was first at home in the slums of great cities and afterwards in foreign lands.

The spread of christianity abroad, especially in the east, among the heathen and Mohammedans was commended, but Dr. Leinbach said the evangelist was now being called upon to stem the tide of paganism cropping up among the American people.

Nothing was made public, and much obscurity continues as to the precise intentions of the various great powers.

One of the outlaws kept them covered with two big revolvers while the other passed among them, taking their valuables. Says Revenge Prompted His Sacrifice -Scores Lancaster County.

Lincoln.-Admitting his defeat, Governor Aldrich has issued a statement in which he attributes the triumph of his opponent to the action of Taft supporters. He reviews his connection with the progressive party movement, scores Lancaster county republicans for instability, pays his respects to moral and church forces for forgetfulness and expresses regret that governing authorities at the state university have allowed what he calls unwarranted opposition to him when in fact he is a friend of the university. Governor Aldrich says the action of Bryan in his support of Morehead was considerable over the half-way mark an amusing incident of the campaign. He accuses Bryan of turning political sommersaults. The governor believes will soon be under one banner, but whether under the republican or progressive party flags he does not know. He states that he will take an active interest in politics and that he intends to make Lincoln his home after his term of office expires.

> Planning to Elude Office Seekers. Princeton, N. J .- The horde of office Br. Seng, 436 So. 25th St., Lincoln, Nebr. seekers who are headed here from every section of the United States, and even a few from the far off Philippines, is not awaited with any great degree of equanimity by Presidentelect Woodrow Wilson. In fact, he is already arranging to elude them. It is officially announced that the president-elect, accompanied only by Mrs. Wilson, will sail from New York on the morning of November 16.

Geneva, Neb.-Congressman Sloan has returns from every county in his district showing that his majority will be more than 4,000. He carried every county except Butler,

Seeking to prevent the alleged wiping out of the small milling industries in this section of the country and to stave off a centralization of the milling industry at Omaha, Minneapolis, Kansas City and St. Louis, representatives of millers of five states, Missouri, Kansas, Oklahoma, Texas and Nebraska, met in Lincoln to confer over the matter. At the bottom of the alleged trouble is the recent rul ing of the interstate commerce commission relating to milling-in-transit rates made applicable to interior mill-

## **EXCELLENT FOR FISH COURSE**

With Lobster Meat as the Foundation Hostess May Serve Preparation That is Delicious.

For a dainty little fish course, take two cups of lobster meat and chop very fine, then force it through a sieve. Add two tablespoons of fine bread crumbs, four tablespoonfuls of double cream, one-half cup of milk and the beaten yolks of two eggs, season with salt, a little paprika, and one tablespoon of lemon juice, and blend thoroughly, then fold in the stiffly beaten whites of eggs. Fill small green pepper shells, that have first been parboiled in salted water, with the mixture; place in a baking pan and partly surround the top with buttered paper, and bake in a moderate oven for 20 minutes, says an exchange. Rub the lobster coral through a sieve and sprinkle over the top of each timbale; garnish with parsley and serve with a rich cream

Sardine Salad.

Take some cold cooked fish, hadlock will do, free it from skin and bone and flake it. Place a layer of this in a dish and sprinkle it over with minced gherkins and a few bruised capers, arrange on this a layer of sliced German sausage and arrange on the top of the pile, sardines freed from skin and bone and split in halves. Cut some lettuce hearts into quarters, place round the dish with hard boiled eggs, also cut into quarters. Then pour over the following sauce: Take the flesh of three sardines and rub to a smooth paste with the yolk of two hard boiled eggs, a pinch of cayenne, a grate of nutmeg. and two tablespoonfuls each of olive oil and vinegar. Beat the sauce well before adding it to the salad.

Berkshire Potatoes

Heat one quart of milk into which two large sliced onions have been placed. Boil this for several minutes in a double boiler, then take out the onions. Cream one tablespoonful of butter and one tablespoonful of flour and add to the above. Cook until it thickens. Add one pint of cold boiled potatoes cut into slices and one tablespoonful of minced parsley. Season with salt and pepper, and soon as the mixture thickens and is heated through, turn into buttered crumbs and brown in the oven.

Bean Pot Roast.

Take one pound of beef, a cheap cut is just as good if it is free from veins. Cut in pieces about an inch square. Put in all the fat, too. Put in bean pots, just cover with water and put in the oven. As water boils away, add a little more. Let cook four or five hours. When about half done add a little salt. When ready to serve take from oven and put it in the spider. Thicken with a little flour mixed with water. The gravy is a rich brown.

Winter Succotash.

One cup either lima, yellow-eyed or pea beans, which have been soaked over night. Drain. Simmer all the morning in enough water to cover, to which add salt, pepper and a piece of salt pork two inches square. Half an hour before serving add one can corn and water enough to keep from burning. Add one pint hot milk, bring to a boil and serve at once. Serve this some cold day with hot rolls or hot gingerbread.
