An alarm of fire was turned in Tuesday at 3 o'clock and proved to be the home of Mrs. Vesta Harwood occupying the John Street dwelling on North Cedar street. Fire was caused by over filling of a gasoline stove the fire soon spread and quickly destroyed the entire house. Owing to frozen hydrants and frozen couplings in the hose the fire boys were not very successful. Most the furniture was saved.

Y. M. C. A. Hours

The hours at which the Y. M. C. A. will be open for different purposes are fixed, for the present, as follows:

Weeks Days: Reading room, afternoon and evening, open to all

Gymnasium, game room and bath.

For girls—Mondays, 4 to 5:30 p. m. Wednesdays, 7 to 10:30 p. m.

For juniors—All week days except Monday afternoon, 4 to 5:30.

For seniors—All evenings except Wednesdays, 7 to 10:30.

Sundays—Reading room only, 2 to 5 p. m.

Remember.

Do you remember, if you lose heart about your work, that none of it is lost; that the good of every good deed remains, and works on forever; and all that falls and is lost is the outside shell of the thing; which, perhaps might have been better done, but has nothing to do with the real good you have done to men's hearts.—Charles Kingsley.

To correct an erroneous impression which seems to be in circulation I wish to say that I am still selling the well known

VICTOR VICTROLA

and Victor records. My stock of these is complete and fresh and I can supply you with anything wanted in the Victor line. I expect to continue to carry this line and as always to have a good complete stock of both records and machines.

In conformity with my policy of ALWAYS having the BEST goods FIRST I am now showing the new

EDISON DISC PHONOGRAPH

This new machine is without doubt absolutely the finest musical machine ever placed on the market having many advantages over any other machine of any make. It has a Diamond pointed reproducer doing away with all needle changing, an indestructible record playing twice as long as any other disc record. The tone is the most natural and no other machine is in the same class for a minute for fidelity of reproduction. These are but a few of the many points of superiority.

EDISON CYLINDER PHONOGRAPH

as usual are the best of their kind. The new Undestructible Blue Amberol record playing four minutes when used with the new Diamond pointed reproducer giving tones and volume of the old disc machines.

I want you to hear these instruments side by side, whether you contemplate the purchase of one or not and extend to you a cordial invitation to come and hear them played.
