THE ALARM is a dreadful thing for the man without insurance. Every time he sees the engines racing along his heart comes up in his throat if the fire is anywhere near his place. What folly, what mistaken economy.

THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.

O. C. TEEL, Reliable Insurance.

You Like Square Dealing

You appreciate courteous treatment. When we tell you a thing is so and you find it to be so your faith in us begins to grow. After we have told you many times how thoroughly we can clean and renew men and women's wearing apparel. How nice they will look and how little it will cost, and every time you find it just as we told you then you will take our word at "face value" and consult us when ever your garments need cleaning, pressing or repairing.
