BE ON THE SAFE SIDE

It is true that you are not likely to lose your savings if deposited in any good bank—but you are ABSOLUTELY CERTAIN NOT to lose them when you deposit where you have the additional protection of the State Guaranty Law.

It is surely "good business" to deposit where you get absolutely guaranteed protection, in preference to placing money in a bank that guarantees nothing.

The State Guaranty Law is behind every dollar deposited in this bank, and when you open an account here, you are ON THE SAFE SIDE.

Boys' School Encampment

E. Von Forrell of Scottsbluff, superintendent of the Boys' State Fair School, is busily engaged in arranging the details of the encampment which will be held at the Nebraska State Fair, Aug. 29 to Sept. 5.

Miss Coon In The Lead

Wednesday was Bargain Day for votes in The Chief automobile contest. On that one day we issued double the regular number of votes on all subscription money received.

Miss Coon takes the lead this week for the first time. She is not so far in the lead, however, but what she can easily be overtaken by any of the contestants.

The race now has the appearance of a real contest as contestants and their friends seem more interested, and doing better work, than ever before.

The next big day will be the day the prizes are awarded. That will be the contest closing date, Saturday, June 14 at 8 p. m.

Claims That Are Backed By Quality

The man who does the most talking doesn't necessarily have the most enthusiastic listeners. The business men who make the strongest claims are not necessarily the leaders in their line.
