Chas. Steffin has one of the best potato patches which we have had the pleasure of viewing so far this season. He has planted about two lots right south of his house of this popular Irish necessity. The vines are now a trifle over a foot in height, and have begun to blossom. Chas. says that "the gentlemen of the cloth," may be some for chicken raisers, automobile traders, etc., but were they the kind who ever indulged in a game of chance he would like to call them for a few beans, that he had them topped when it comes to raising spuds. We believe, ourselves, did it come to a show down, Chas. would take the beans.

Last Friday the Riverton High school "Giants" base ball team came down and demonstrated the national game to our local high school team. It was a regular hit and run game from start to finish. Webster Ray, the popular 1st baseman for our boys, got a home run and ran around the diamond like a scared rabbit getting away from its pursuers. The Riverton boys won the game by a score of 17 to 8. Guy Bradbrook was the artist who did the umpiring stunt and we think he gave good satisfaction.

Art said the purpose of his trip was to again assist in the office of The Guide Rock Signal for a few days, but to all appearances and from what we have heard, it looks to us as though there was a stronger attraction in Guide Rock than work, and try as hard as we can, we can not refrain from wondering if Art has let "some girl" take him so far from home.
