Oxford High School Team Forfeits Game to Red Cloud

Last Friday the Oxford High school foot ball team came down and played our High school team on the Koontz field.

In the first quarter our boys made a touch down. In the last part of the second quarter our team fumbled the ball and the Oxford team got possession of the ball and made a touch down and kicked goal.

In the third quarter our team fumbled the ball on Oxford's 4 yard line and the latter team got possession of the ball and made a touch down but it did not count on account of one of the Oxford players making a foul tackle on one of our players. The Referee brought the ball back and penalized the Oxford team and gave the ball to our team. Prof. Anderson called his team off the field and refused to play the game out and the Referee forfeited the game to Red Cloud, score 1 to 0.

The Oxford team did not put up the class of foot ball that our boys play. Our team put up a good game and time after time went thru their opponent's line for big gains.
