cies of Acute or Chronic Disease of the Organs of Respiration, and an absolute SPECIFIC FOR CONSUMPTION THIS all-powerful vegetable prepara-tion expels from the lungs and air pass tion expelsified the lings and air passages, the mucus and muco-pus produced by pulmonary inflammation, healt the irritated membrases, and renovates every organ which utilizes the breath of Life. It contains no stupefying poison, and is in all respects a healthful medicine. The rapidity and certainty with which it

ANNIHILATES A COUGH astonishing. Its effects go deeper that is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharges the cause from the system. Free and painless expectoration is the mode by which it relieves the lungs, chest and throat from the burdens which oppress them; thus arresting Consumption and Bronchitis in the germ before they reach the more dangerous stages. The emacinted sufferer
