New York Dry Goods New York, July 20.

New York, July 20.

The dry goods business to-day has been irregular with commission houses and quistness prevailed in most departments of the jobbing trade. A large force of package buyers were in market busily making a memoranda as a basis for future operations, but purchases were chiefly confined to fabrics required for early distribution. Dark prints received a good share of attention and a satisfactory business was reported by agents representing shirts,

drawers, hosiery, notions, etc. The movement in staples, cotton and woolen goods, on account of back orders, continues of liberal proportion, and nearly all the most popular makes are still sold in advance of productions.

A FOOL ONCE MORE.

'For ten years my wife was confined to her bed with such a complication of ailments that no doctor could tell what was the matter or cure her, and I used up a small fortune in humbug stuff. Six months ago I saw a U. S. flag with Hop Bitters on it, and I thought I would be a fool once more I tried it, but my folly proved to be wisdom Two bottles cured her, she is now as well and strong as any man's wife, and it cost me only two dollars. Such folly pays.—H. W., Detroit, Mich.—Free Press.
