HEAR THE WITNESSES.

SAVED FROM A HORRIBLE DEATH. Up to May last I had spent at least five hundred dollars for treatment by many of the best medical men, without any benefit. I suffered excruciatingly, and all my best friends advised me that the ley hand of death was fast approaching. I caught at S. S. S. like a drowning man at a straw. After taking two bottles I could feel a change for the better. The sores began to discharge freely and the Rheumatism to abate. When I had taken six bottles every sore had healed and my skin began to assume a natural appearance. I persisted until I had taken twelve bottles, large size, and THERE IS NOT A SYMPTOM OF THE DISEASE REMAINING, and I feel as well as I ever did. I have gained twenty-one pounds in flesh, and my triends wonder at my improved condition. I have recommended it many, and in every instance with complete success. I believe that S. S. S has saved me from a horrible death.

I am sure that Swift's Specific saved my life. I was terribly poisoned with Malaria, and was given up to die. Swift's Specific relieved me promptly and entirely. I think it is the greatest remedy of the age.
