FINANCE AND COMMERCE.

FINANCIAL.

NEW YORK, August 9.—Money—Easy at 2@2½ per cent.
Prime Mercantile Paper—5½@6½ per cent.
Sterling Exchange—Bankers' bills steady
at \$4.83; demand, \$1.87.

Governments—Strong.

Stocks—Stocks-to-day are steeper than yes-
terday, and aside from Northern Pacific and
the Oregon and Trans Continental, were
stronger than yesterday evening. The Post
says, if good crops, good railway earnings and
an abundance of money seeking some kind of
a satisfactory investment, are sufficient to re-
store confidence in the stock market; there
should be a better feeling. The chief obstacle
is that the public mind is becoming thoroughly
disturbed. The market closed strong.
