-The house of Dr. Whinnery, 2219 Davenport street, was burglarized Friday while the doctor and his wife were at the theater. Thr thief captured a pocketbook containing \$1,800 which was lying on the bed, and a locket which the doctor prizes very highly, containing a portrait of his little girl, who died last spring. The return of the picture is so-licited.

A Starting Discovery.

Physicians are often startled by remarkable discoveries. The fact that Dr. King's New Discovery for Consumption and all throat and lung diseases is daily curing patients that they have given up to die, is startling them to realize their sense of duty, and examine into the merits of this wonderful discovery; resulting in hundreds of our bost citizens using it in their practice. After some discussion the meeting adjourned subject to the call of the secretary. The next meeting will unquestionably be a highly interesting one, as among other matters of vital importance to be brought before the meeting will be the banquet.

-The residents of North Omaha desire to know whether Sixteenth street will ever be brought to grade, so as to enable the property owners to lay their sidewalks. If the committee on streets and grades had ever paid the least attention to the grading the whole street would have been in proper condition at the present time. The street as it is is impassable, and it is high time for something to be done.
