Lake. The Manly Art Wins Favor in Mormondom.

The following from the Salt Lake Tri bune will prove of interest to many of our readers:

A large audience assembled at the Salt Lake Theater last evening the attraction being Paddy Ryan, the heavy-weight champion of America, in a friendly glove contest with his trainer, Mike Kane. The audience was quite enthusiastic at times. but there was nothing rough in the entire programme, and the large number of ladies present appeared to enjoy the en-

tertainment as thoroughly as those of the A number of set-tos had been arranged between local pugilists to help fill out the evening, over which "Parson" Davis acted as master of ceremonies, and H. J. Stone, as referee, giving general satisfaction. The contest arranged was for a silver cup to the winner of the three rounds of two minutes each, one minute rest, with soft gloves. This was conducted accord-

ing to the Marquis of Queensbury rules, excepting a reduction of one minute in the rests. There were eight contestants

for the trophy.

The first called were William Shultz and a "Paddy Ryan," in which Shultz was declared the winner. George Kelley and George Denney supplied the second set-to. In the second

round Kelley was knocked down by his antagonist and in falling hurt his hip so

severely that he was unable to come to the scratch at the call of time for the third round.

In the set-to between George Leslie Bargains in Farms & Lands and Mike Fitzgerald, the former was de-clared the winner. This bout caused

some excitement, but it was all according to the rules.

The sparring between Donald McDon-ald and James Garrity was declared a draw by the referee.

Mr. S. H. Brubaugh gave a fine display of club swinging. He presented some forty different motions and showed

himself an expert in this class of physical

the evening Mr. J. D. Turnbull gave a fine exhibition of both awkward and fancy roller

skating, and was called out a second At the final contest Leslie and Denney were the only two appearing. After a hard battle the prize cup was awarded to

Leslie. Thos. Austin the "colored professor," vas present, and willing to spar with any comer, but no one was found to contest

Last of all came the feature of the evening. The celebrated Paddy Ryan and his trainer, Mike Kane, were introduced. In his sparring costume, Ryan presented gave a fine exhibition of scientific sparring lasting through three rounds. The fine movements of these experts were ap-

plauded to the echo. While "slugging" as a rule may be considered a rather brutish employment, it is but justice to state that there was nothing disgusting or exceptional in the per-formance given by the Ryan party. They leave the city to-morrow.
